iPod shuffle

The world's smallest digital music player, iPod shuffle weights about half an ounce and easily clips on your sleeve, lapel or belt so you can wear and listen to up to 240 songs anytime, anywhere. **Accepting pre-orders NOW, ships in October**

Retail Price $79.00 **EPP price just $74.00**

iPod nano

Featuring an anodized aluminum enclosure that comes in five stylish colors, iPod nano also provides up to 24 hours of battery life and puts up to 2,000 songs in your pocket.

Retail Price $149.00 **EPP price from $140.00**

iPod

The new iPod lets you carry up to 20,000 songs, up to 100 hours of video, up to 25,000 photos, and now iPod games in your pocket. Enhanced battery life, a display that's 60% brighter, and new intuitive search function and gapless playback round out the amazing feature set. There's also an iPod U2 Special Edition with all these new features.

Retail Price $249.00 **EPP price from $234.00**

iTunes and iTunes Music Store

iTunes has been redesigned and sports not only a new look but great new features such as gapless playback, back up to disc, support for multiple libraries and Cover Flow for browsing. Now you can download music, audio books, TV shows, games and MOVIES.

Movie downloads from $9.99
