Proceeds from the Charter County Transit System Sales Surtax (the Surtax) will be used to fund this project, therefore, approval by the Board of County Commissioners (BCC) and Citizens' Independent Transportation Trust (CITT) is required.

Scope

The work to be performed under the life of this contract includes the construction and installation of concrete sidewalks and pedestrian ramps at various intersections within Miami-Dade County. Three (3) sites have been identified for this contract and are listed as follows: (1) East 65 Street, from Palm Avenue to East 2 Avenue; (2) NW 4 Street, from NW South River Drive to NW 9 Avenue and (3) NW 4 Street, from NW 9 Avenue to NW 10 Avenue, all located within Commission Districts 5 and 13. Additional sites may be added during the term of the contract and may fall within various County Commission Districts as this contract is Countywide.

Fiscal Impact/Funding Source

The fiscal impact will be $565,000.00 and will be funded from the Surtax. The proposed ADA improvements are included in the Neighborhood Improvements Section of Exhibit 1 in the PTP Ordinance. The base contract amount is $500,000.00, but the total allocated amount is $565,000.00, which is inclusive of the contingency and dedicated allowances.

Delegation of Authority

No additional authority is being requested within the body of this contract.

Track Record/Monitor

The contractor, CEB Construction, Inc., is currently performing work for PWD at a satisfactory level as reported by the Project Manager. PWD has reviewed the Office of Capital Improvements (OCI) database and found 40 awarded construction contracts for CEB Construction, Inc. One (1) from the Aviation Department (AV), two (2) from the Department of Environmental Resources Management (DERM), two (2) from the General Services Administration Department (GSA), seven (7) from the Parks and Recreation Department (PRD), 21 from PWD, two (2) from OCI, four (4) from the Seaport Department (SP) and one (1) from the Water and Sewer Department (WASD). The referenced database also lists a total of 17 contractor performance evaluations and are listed as follows: two (2) from DERM, two (2) from GSA, one (1) from OCI, four (4) from PRD, six (6) from PWD, one (1) from SP and one (1) from WASD, all with a total performance rating of satisfactory averaging (3.4), the highest rating being 4.0. Evaluations for the other 15 PWD projects have not been submitted at this time since they are currently under construction or in the preliminary stages. The remaining Departments indicated above have not yet submitted evaluations for this contractor.

1

Following PWD's standard operating procedures, after award of this contract, a pre-construction meeting will be scheduled. Throughout all PTP projects, the responsible staff person in PWD will be the PTP Coordinator, Mr. Frank Aira, P.E. Following completion of the award process, the project will be assigned to Mr. Gary Seamonson, Project Manager, for day to day responsibilities.

According to the Florida Department of State, Division of Corporations, CEB Construction, Inc., Company Principal is: Javier Bustos and the Company's address is listed as: 2451 NW 109 Avenue, Miami, Florida 33172.

Background

In an effort to accelerate the continued success of the PTP Neighborhood Improvements initiative, PWD is taking advantage of various contracting mechanisms such as the subject Miscellaneous Construction Contracting process available under the Office of Capital Improvements (OCI) contract CICC 7040-0/07. Through this process, PWD forwards the Request for Price Quotation (RPQ), by way of facsimile transmission and US-mail, to a pool of pre-qualified Community Small Business Enterprise (CSBE) contractors for the subject trade. Interested contractors prepare their bids according to the Job Order Contracting (JOC) process, whereby the County establishes unit prices for the pay items in accordance with industry averages. The contractors submit their bid as an overall percentage factor of the pricing established by the County. The project award evaluation is based upon the lowest percentage submitted by the responsive, responsible bidder for the project.

In the event that the lowest JOC percentage submitted by a responsive and responsible firm results in a tie (equal percentage), such firms shall have the opportunity to submit a best and final bid equal to or lower than the percentage factor previously submitted. If a tie still exists, the County will award the contract based on local preference, CSBE certification and the least amount of dollars paid on County contracts over the last three (3) years.

PWD staff determined that the scope of work for this project qualified for a CSBE set-aside (Levels 1, 2, and 3) designation. Therefore, on November 1, 2007, PWD forwarded an RPQ for ADA Sidewalk Contract - Countywide, utilizing the OCI contract CICC 7040-0/07, to a list of 57 pre-qualified firms. Five (5) firms purchased contract documents and one (1) firm proffered a bid. As a result, on December 10, 2007, PWD issued a recommendation of award for RPQ 20070791 with a percentage factor of 1.09 to CEB Construction, Inc., with the stipulation that approval of this project must be obtained from the BCC and the CITT due to guidelines associated with the funding source.

The work to be accomplished for this project consists of, but is not limited to, furnishing all supervision, labor, required materials, equipment, tools and performing all operations necessary for the construction and installation of concrete sidewalks and pedestrian ramps which includes base preparation, grading, compaction of limerock and sand, and removal of tree roots and debris. Work also includes clearing and grubbing, filling, sodding, removal of existing curb and gutters, sidewalks and any other concrete work, as required by work orders in accordance with the contract documents.

Re: **Recommendation for Award**
Request for Price Quotation (RPQ)
No.: 20070791 - CICC 7040-0/07
People's Transportation Plan (PTP)
ADA Sidewalk Contract - Countywide

Dear Mr. Bustos:

This letter will serve as your notification that you have been recommended for award for the above referenced RPQ based on your Price Quotation submitted on Wednesday, December 5, 2007. The total RPQ amount is five hundred sixty-five thousand dollars and zero cents ($565,000.00). This includes a base contract amount of five hundred thousand dollars and zero cents ($500,000.00), a contingency amount of fifty thousand dollars and zero cents ($50,000.00), and dedicated allowances totaling fifteen thousand dollars and zero cents ($15,000.00). The contract duration is established as **270-calendar days**. However, the award is contingent upon the submission of the required items listed below:

1. Performance and Payment Bond as required in Contract No. CICC 7040-0/07, Section 2.0 Special Conditions, Page 13, Article 2.13, **PERFORMANCE AND PAYMENT BOND**. (The **original attached documents** must be used).
2. Letter from Bonding Agent granting Miami-Dade County authorization to date the Performance Bond.
3. Copies of current insurance certificates.
4. Copies of required license(s).

The preceding documents are required as outlined within Contract CICC-7040-0/07 and to be submitted within 10 business days. Failure to submit the document(s) within the specified time, or any extension granted, will result in the award being rescinded.

Subsequent to the review and approval of the aforementioned documents, you are required to obtain the required permits in the time stipulated in the RPQ. Upon obtaining the permit(s), a copy(s) must be submitted to the Project Manager prior to commencement of work. No work is to be performed without a permit unless the Project Manager issues a written directive to proceed without permit(s).

MIAMI-DADE COUNTY
Delivering Excellence Every Day

After receipt of the permits the Project Manager will schedule a Pre-Construction Conference and issue a Notice to Proceed authorizing the performance of the work.

This letter will also serve as a reminder that all work must be performed according to the scope of work and contract's terms and conditions, all permits and inspections and in accordance with all applicable Federal, State and local laws, codes and regulations. Additionally, this contract, along with other contracts recently awarded to your firm, have very similar completion schedules and competing deadlines. Please be advised that your firm must have the resources to ensure work proceeds without delay once the "Notice to Proceed" is issued. This will result in your firm working on multiple contracts concurrently. Lack of equipment and/or personnel will not be reason for delay.

Further, it shall be understood that since proceeds from the Charter County Transit System Sales Surtax levied pursuant to Section 29.121 of the Code of Miami-Dade County may be used to pay for all or some part of the cost of this contract, no award of this contract shall be effective and thereby give rise to a contractual relationship with the County unless and until the following have occurred: 1) the County Commission awards the contract, and such award becomes final (either by expiration of 10 days after such award without veto by the Mayor, or by Commission override of a veto); and 2) either i) the Citizens' Independent Transportation Trust (CITT) has approved same, or ii) in response to the CITT's disapproval, the County Commission re-affirms its award by two-thirds (2/3) vote of the Commission's membership and such reaffirmation becomes final.

Please contact Ms. Angelica De Limas, OCI office, at (305) 375-2606 to insure that your file is complete for award consideration.
