**Date:** December 12, 2007

**To:** Honorable Chairman Dorrin D. Rolle
and Members, Transit Committee

TC
Agenda Item No. 5E

**From:** George M. Burgess
County Manager

**Subject:** List of Additional Traffic Intersection Improvements for FY 07-08

---

At the June 15, 2006, meeting of the Regional Transportation Committee (RTC), the Public Works Department (PWD) was directed to present a general list of pending major congested intersections (from which the original quick-win list was derived). It was also requested that the report denote available funding sources and include intersections listed by Commission District.

Since this is an ongoing effort, PWD staff performed a field evaluation of the pending sites and selected 68 intersections for quick win solutions to safety and capacity improvements for Fiscal Year 07-08 (attached). The PWD will be providing bi-monthly updates to this Committee.
