Memorandum

MIAMI-DADE COUNTY

Date: April 8, 2008

To: Honorable Chairman Bruno A. Barreiro
and Members, Board of County Commissioners

Agenda Item No. 9(A)(19)(A)

From: George M. Burgess
County Manager

Subject: Resolution Authorizing Intergovernmental Cooperation Agreement with Palm Isle at Doral Community Development District

---

RECOMMENDATION

It is recommended that the Board authorize execution of the attached Intergovernmental Cooperation Agreement between Palm Isle at Doral Community Development District (CDD) and Miami-Dade County to allow the Palm Isle at Doral CDD to utilize the uniform method for the levy, collection and enforcement of non ad valorem assessments, as prescribed in Section 197.3632, Florida Statutes.

SCOPE

The Palm Isle at Doral CDD, located in County Commission District 12, is a 9.9-acre residential development lying entirely within the City of Doral. The area is bounded by NW 112 Avenue on the east, theoretical NW 80 Street on the south, theoretical NW 114 Avenue on the west and NW 82 Street on the north.

FISCAL IMPACT/FUNDING SOURCE

In accordance with Sections 192.091(2)(b) and 197.3632, Florida Statutes and the Intergovernmental Cooperation Agreement, the Palm Isle at Doral CDD will charge separate non ad valorem assessments for satisfying the debt obligations of the District related to financing and constructing and/or the cost of maintaining and servicing the District's improvements and/or services.

The CDD agrees that the County shall be entitled to retain two percent on the amount of special assessments collected and remitted to cover all of the County's associated costs. There is no fiscal impact to the County as a result of this Intergovernmental Cooperation Agreement.

TRACK RECORD/MONITOR

The Palm Isle at Doral Community Development District is managed by Special District Services, Inc. The Intergovernmental Cooperation Agreement is managed by the Property Appraiser's Office.

BACKGROUND

The intergovernmental Cooperation Agreement between the Palm Isle at Doral CDD and Miami-Dade County affords the District the convenience and financial savings of utilizing the TRIM notice and combined tax bill for collection of its non ad valorem assessments. Use of the ad valorem method for collection of these assessments could result in issuance of tax certificates, tax deeds and the loss of title to the property, if said assessments are not paid. The term of this agreement commences with special assessments collected in FY 08-09 and continues until cancelled by either party.
