Re: General Obligation Bond (GOB) Subcommittee

---

The General Obligation Bond (GOB) Subcommittee was established as part of my committee plan and Board Member assignments. It was created to oversee and assure successful implementation of the program. In accordance with the Rules and Procedures, I have decided to sunset this subcommittee due to scheduling conflicts but more importantly to expedite the procurement process and to allow for projects and much needed infrastructure to be in place as soon as possible. Furthermore, I recently held a Sunshine Meeting with Commissioner Bruno Barreiro in an effort to discuss this process and the subcommittee and he concurs with my decision.

As such, I am respectfully requesting that items that would regularly be scheduled for the GOB Subcommittee be sent to the Infrastructure and Land Use Committee (INLUC) and Internal Management and Fiscal Responsibility Committee (IMFRC) respectively. Recommendations must be considered by each of these two committees before they may be forwarded to the full Board for consideration.

If you should have any questions please call my office at (305) 375-5511.
