Date: May 18, 2010

Supplement
Agenda Item No.5(D)

To: Honorable Chairman Dennis C. Moss
and Members, Board of County Commissioners

From: George M. Burgess
County Manager

Subject: Ordinance Amending Chapter 25A of the Code authorizing the Commission to take assistive measures related to the financial status of the Public Health Trust

---

Ordinance Amending Chapter 25A of the Code authorizing the Commission to take assistive measures if specified conditions pertaining to the financial status of the Public Health Trust may have a fiscal impact on the Public Health Trust and the County.

The ordinance allows the Commission to direct an audit on any or all records of the Trust in accordance with Sections 25A-5(c). The Trust and/or the County would have to incur the cost of any external audit which the cost of may vary specifically based on the scope of work. In addition, the Recovery Board members shall be entitled to reimbursements for necessary expenses, including the expense of performance bonds, incurred in the discharge of their duties. At this time, it would be difficult to quantify any cost related to these expenses.
