From: George M. Burgess  
County Manager

Resolution No. R-345-09

Subject: Resolution Approving the Execution of a Memorandum of Understanding between  
Greater Miami Service Corps and Miami-Dade County

**Recommendation**

It is recommended that the Board of County Commissioners (BCC) approve the accompanying resolution which authorizes the County Mayor or the Mayor's designee to execute a Memorandum of Understanding (MOU) between Miami-Dade County (County), and Greater Miami Service Corps (GMSC) to provide on the job training at the county's affordable housing sites for low-income, disadvantaged youth.

**Fiscal Impact**

There is no fiscal impact to Miami-Dade County. The YouthBuild 2006 grant in the amount of \$400,000 was awarded to GMSC by the United States Department of Housing and Urban Development (US HUD).

**Scope**

The type of work performed will include minor carpentry work, plastering, replacement of door knobs, minor drywall work, and painting at Liberty Square, a Liberty City family development in Commission District 2.

**Track Record/Monitor**

YouthBuild participants will have complete and full access to MDPHA's public housing units assigned for the purpose of on-the-job training. MDPHA's Public Housing division, specifically the onsite property manager, will monitor the progress of the unit renovations and GMSC will have an instructor onsite at all times.

**Track Record/Monitor**

YouthBuild participants will have complete and full access to MDPHA's public housing units assigned for the purpose of on-the-job training. MDPHA's Public Housing division, specifically the onsite property manager, will monitor the progress of the unit renovations and GMSC will have an instructor onsite at all times. In addition, GMSC provides full liability coverage for all of their employees and the County is not liable in any instance.

**Background**

YouthBuild programs provide low-income, out-of-school young people opportunities to gain leadership, education, and construction experience. GMSC was established to enhance the employability and self-esteem among young adults between the ages of 18 and 23. This program develops a sense of work ethic and community spirit among our youth as well as fostering stability and productivity in the community.

Since December 2006, the YWCA of Greater Miami-Dade County has administered a separate YouthBuild Program at MDPHA by rehabilitating units at Culmer Gardens, a family development located in Overtown. The program participants successfully completed five units at Culmer Gardens in 2007; however, the agency also hired contractors to handle major repairs of units as part of its vacancy reduction effort.

In September 2008, after GMSC received their \$400,000 YouthBuild grant from US HUD, GMSA approached MDPHA about partnering to provide on the job training. This item will approve the execution of the MOU to expend funding.

Since then, GMSC has also sought to continue and expand the YouthBuild Program at MDPHA by submitting a second grant application in January 2009 for Edison Courts, Annie Coleman Gardens, as well as Liberty Square. This grant request of \$700,000 is pending approval from the United States Department of Labor.

**Article XI  
Conflict of Interest**

- A. No person under the employ of the County, who exercises any function or responsibilities in connection with this Agreement, has at the time this Agreement is entered into, or shall have during the term of this Agreement, any personal financial interest, direct or indirect, in this Agreement.

No family member of any employee may be employed by the GMSC if the family member is to be employed in a direct supervisory and/or administrative relationship

either supervisory or subordinate to the employee. The assignment of family members in the same organizational unit shall be discouraged. A conflict of interest in employment arises whenever an individual would otherwise have the responsibility to make, or participate actively in making decisions or recommendations relating to the employment status of another individual if the two individuals (herein sometimes called "related individuals") have one of the following relationships:

1. By blood or adoption: Parent, child, sibling, first cousin, uncle, aunt, nephew, or niece;
2. By marriage: Current or former spouse, brother- or sister-in-law, father- or mother-in-law, son- or daughter-in-law, step-parent, or step-child; or
3. Other relationship: A current or former relationship, occurring outside the work setting that would make it difficult for the individual with the responsibility to make a decision or recommendation to be objective, or that would create the appearance that such individual could not be objective. Examples include, but are not limited to, personal relationships and significant business relationships.

For purposes of this section, decisions or recommendations related to employment status include decisions related to hiring, salary, working conditions, working responsibilities, evaluation, promotion, and termination.

An individual, however, is not deemed to make or actively participate in making decisions or recommendations if that individual's participation is limited to routine approvals and the individual plays no role involving the exercise of any discretion in the decision-making processes. If any question arises whether an individual's participation is greater than is permitted by this paragraph, the matter shall be immediately referred to the Miami-Dade County Commission on Ethics and Public Trust.

This section applies to both full-time and part-time employees and voting members of GMSC's Board of Directors.

- C. No person, including but not limited to any officer, board of directors, manager, or supervisor employed by GMSC, who is in the position of authority, and who exercises any function or responsibilities in connection with this Agreement, has at the time this Agreement is entered into, or shall have during the term of this Agreement, received any of the services, or direct or instruct any employee under their supervision to provide such services as described in the Agreement. Notwithstanding the before mentioned provision, any officer, board of directors, manager or supervisor employed by the GMSC, who is eligible to receive any of the services described herein may utilize such services if he or she can demonstrate that he or she does not have direct supervisory responsibility over GMSC's employee(s) or service program.

**ARTICLE XII**  
**GENERAL PROVISIONS**

- A. Notwithstanding any provisions of this MOU to the contrary, the parties shall not be held liable for any failure or delay in the performance of this MOU that arises from fires, floods, strikes, embargoes, acts of the public enemy, unusually severe weather, outbreak of war, restraint of Government, riots, civil commotion, force of nature, acts of God, or for any other cause of same character which is unavoidable through the exercise of due care and beyond the control of the parties. - B. In the event any provisions of this MOU shall conflict, or appear to conflict, the MOU, including all exhibits, attachments and all other documents specifically incorporated by reference, shall be interpreted as a whole to resolve any inconsistency.
- C. Failures or waivers to insist on strict performance of any covenant, condition, or provision of this MOU by the parties, their successors and assigns shall not be deemed a waiver of any rights or remedies, nor shall it relieve the other parties from performing any subsequent obligations strictly in accordance with the term of this MOU. No waiver shall be effective unless in writing and signed by the party against whom enforcement is sought. Such waiver shall be limited to provisions of this MOU specifically referred to therein and shall not be deemed a waiver of any other provision. No waiver shall constitute a continuing waiver unless the writing states otherwise.
- D. Should any term or provision of this MOU be held, to any extent invalid or unenforceable, as against any person, entity or circumstance during the term hereof, by force of any statute, law, or ruling of any forum of competent jurisdiction, such invalidity shall not effect any other term or provision of this MOU, to the extent that the MOU shall remain operable, enforceable and in full force and effect to the extent permitted by law.
- E. This MOU may be amended only with the written approval of the parties hereto.
- F. This MOU states the entire understanding and agreement between the parties and supersedes any and all written or oral representations, statements, negotiations, or agreements previously existing between the parties with respect to the subject matter of this MOU. The parties recognize that any representations, statements or negotiations made by the staff of either party does not suffice to legally bind either party in a contractual relationship unless they have been reduced to writing and signed by their authorized representative(s). This MOU shall inure to the benefit of and shall be binding upon the parties, their respective assigns, and successors in interest.

IN WITNESS WHEREOF, the parties or their duly authorized representatives hereby execute this MOU on the date first written above.
