Background

Ruth Valentin Polinquin and Lavinia Grace Brown Altman, individually and as Co-Trustees for the estate of Flora S. Brown, expressed an implied offer of dedication of the South 35 feet for road purposes in a conveyance dated August 30, 2004 and recorded on September 7, 2004 in Official Records Book 22632, Page 4237 of the Public Records of Miami-Dade County.

Said dedication of 35 feet, was in excess of that certain land taken for the construction of NW 81 Street by Miami-Dade County by Eminent Domain proceedings and described as Parcel 41 in that certain Order of Taking recorded in Book 4974, Page 127 of the Public Records of Miami-Dade County and illustrated in Exhibit "B" attached and made a part hereof. The excess dedication created a gap between the land taken by eminent domain and the parent tract to the north of said parcel. The aforementioned gap is described in Exhibit "A" and Illustrated in Exhibit "C" and it is the subject of the attached resolution. The property to the north of the gap is owned by Miami-Dade County Police Department which has future plans to build a police station on the site, see Exhibit "D".

and Members, Board of County Commissioners

The subject parcel as illustrated on Exhibit "C" and Detail "A" encompasses portions of the sidewalk of NW 81 Street in use since NW 81 Street was built in the 1960's.

There is no information in the Public Records that would revoke or otherwise impede the implied offer of dedication. In order to protect the public road easement the Public Works Department recommends the acceptance of this right-of-way dedication.
