Subject: Social Equity Statement for Ordinance Amending Section 30B-3 of the Code

---

The proposed ordinance amends Section 30B-3 of the Code of Miami-Dade County providing for civil citations under Chapter 8CC of the Code to enforce certain violations which may occur on Miami-Dade County Transit, Metrorail, Metromover, and Metrobus systems.

This amendment is intended to deter and impact violators, and to provide law enforcement with different options such as warnings, specified civil penalties, and community service hours to enforce the Code. This will act as a safeguard to ensure continued safe operations for all passengers. The proposed ordinance is not anticipated to have a specific social equity benefit or burden as described in Ordinance No.15-83.
