Subject: Baynanza Biscayne Bay Cleanup Day on April 26, 2014

Please join us for the 32nd annual Biscayne Bay Cleanup Day, scheduled from 9:00 am to noon on Saturday, April 26, 2014. The Department of Regulatory and Economic Resources Division of Environmental Resources Management (RER-DERM) sponsors this event and other environmental activities to help raise our community's awareness about environmental issues facing South Florida.

The goal of the Biscayne Bay Cleanup Day is to educate our community about the impact of litter on the delicate shoreline and spoil islands of Biscayne Bay. I hope you are able to participate in this community effort to clean our shoreline. This year's kick-off site for the Biscayne Bay Cleanup Day will be at **Deering Estate at Cutler, located at 16701 S.W. 72 Avenue, Palmetto Bay**. The complete list of the cleanup sites throughout the County can be found on RER's website at **www.miamidade.gov/economy**.

Please have the appropriate staff contact Luis Espinoza of RER at (305) 372-6770 to confirm your attendance at any of the designated cleanup sites.
