Subject: Baynanza Biscayne Bay Cleanup Day on April 25, 2015

Please join us for the 33rd annual Biscayne Bay Cleanup Day, scheduled from 9:00 a.m. to noon on Saturday, April 25, 2015. The Department of Regulatory and Economic Resources (RER) sponsors this event and other environmental activities to help raise our community's awareness about environmental issues in South Florida.

The goal of the Biscayne Bay Cleanup Day is to educate our community about the impact of litter on the delicate shoreline and spoil islands of Biscayne Bay. I hope you are able to participate in this community effort to clean our shoreline. This year's kickoff site for the Biscayne Bay Cleanup Day will be at Historic Virginia Key Beach Park, located at 4020 Virginia Beach Drive, Miami. The complete list of designated cleanup sites throughout the County and Baynanza 2015 Calendar of Events can be found at www.miamidade.gov/environment/baynanza.asp.

Please have the appropriate staff contact Luis Espinoza of Department of Regulatory and Economic Resources at (305) 372-6770 by Monday, **April 6, 2015** to confirm your attendance at the kickoff site or any of the designated cleanup sites.
