A. Award Description

Awarded vendors shall offer a fixed price for the acquisition of various fire rescue replacement equipment manufactured by the manufacturers they indicate they are distributors for.

B. Delivery (Re: ITB Paragraph 2.17)

The pre-qualified bidders shall deliver the order within twenty-one (21) calendar days after the date of the order. All deliveries shall be made in accordance with good commercial practice for various Miami Dade County Departments.

C. Additional Manufacturers May Be Added or Deleted (Re: ITB Paragraph 2.22).

Although this solicitation identifies specific brands to be purchased, it is hereby understood and agreed that additional manufacturers may be added or deleted to this contract at the option of the County.

D. Preferences (Re: ITB Paragraphs 1.10 and 2.2)

- **Local preference** should be applied in accordance with Section 2-8.5 of the Miami Dade County Code (http://library.municode.com/index.aspx?clientId=10620&stateId=9&stateName=Florida) at the time user departments request quotations from the pre-qualified vendors. When a responsive bid from a Miami-Dade local business is within 10% of the lowest price submitted by a responsive nonlocal business, the local business and the non-local low vendor shall have the opportunity to submit a best and final (BAFO) bid equal to or lower than the amount of the low bid previously submitted by the non-local business.

- **Small Business Contract Measures For Solicitations Greater Than $50,000 (Bid Preference)**
  A Small Business Enterprise (SBE) bid preference applies to this solicitation.
  A 10% percent bid preference shall apply to contracts $1 million or less and 5% percent on contracts greater than $1 million. A SBE/Micro Business Enterprise must be certified by the Department of Business Development (DBD) for the type of goods and/or services the Enterprise provides in accordance with the applicable Commodity Code(s) for this solicitation. For certification information, contact the Department of Business Development at 305-375-3111 or access www.miamidade.gov/dbd.
  The SBE/Micro Business Enterprise must be certified by bid submission deadline, at contract award and for the duration of the contract to remain eligible for the preference.

E. Special conditions to be included in all quotes

Please refer to the Procurement Management link (http://www.miamidade.gov/procurement/itb-terms-conditions.asp) to retrieve the latest version of the current terms and conditions.

- The validation of all Affidavits requirements including the Non-Discrimination Affidavit (Affirmation Action Plan - AAP) will be satisfied upon verification of an "active" Miami Dade County vendor registration. All registered vendors for the County must complete an application inclusive of all required affidavits. The AAP affidavit satisfies the requirement of Section 2-8.1.5 of the Code of Miami Dade County.

- **First Source Hiring Referral Program ("FSHRP").**
  Pursuant to Section 2-2113 of the Code of Miami-Dade County, for all contracts for goods and services, the successful Bidder, prior to hiring to fill each vacancy arising under a County contract shall (1) first notify the South Florida Workforce Investment Board ("SFWIB"), the designated Referral Agency, of the vacancy and list the vacancy with SFWIB according to the Code, and (2) make good faith efforts as determined by the County to fill a minimum of fifty percent (50%) of its employment needs under the County contract through the SFWIB. If no suitable candidates can be employed after a Referral Period of three to five days, the successful Bidder is free to fill its vacancies from other sources. Successful Bidders will be required to provide quarterly reports to the SFWIB indicating the name and number of employees hired in the previous quarter, or why referred candidates were rejected. Sanctions for non-compliance shall include, but not be limited to: (i) suspension of contract until Contractor performs obligations, if appropriate; (ii) default and/or termination; and (iii) payment of $1,500/employee, or the value of the wages that would have been earned given the noncompliance,
