Memorandum

MIAMI-DADE COUNTY

Date: October 21, 2016

To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor

Subject: High Juvenile Crime and High Crime Areas
North and South Operations Divisions - July 1, 2016 - September 30, 2016

The following reports are provided to the Board of County Commissioners (Board) identifying areas with high crime and high-crime areas with a significant juvenile presence for the period of July 1, 2016, to September 30, 2016. These reports are used to prioritize and dedicate additional resources toward enforcement of the Miami-Dade County Juvenile Curfew Ordinance in those areas.

Should you require additional information, contact Juan J. Perez, Director, Miami-Dade Police Department, at (305) 471-3272.

Per Ordinance 14-65, this report shall be placed on the next available Board of County Commissioners Agenda meeting.

Christopher Agrippa, Clerk of the Board
Eugene Love, Agenda Coordinator

Report on High Juvenile Crime and High Crime Areas (July 1, 2016 – September 30, 2016)

The following report was compiled by the Miami-Dade Police Department's (MDPD) Police Services, which consists of the North and South Operations Divisions. The report describes the different initiatives used to promote juvenile safety, along with the statistics of areas with high crime and high-crime areas with significant juvenile presence.

The Miami-Dade Police Department's North Operations Division has received positive feedback from the residents relating to this initiative to keep juveniles safe and off the streets during curfew hours. The following enforcement measures have been taken in order to reduce future delinquencies involving juveniles:

- **Truancy Sweeps** - Several truancy sweeps were conducted to locate and return truants to schools and prevent juvenile crimes in targeted areas where youth are known to congregate.

- **Joint Roundtable on Juvenile Safety Initiative** - This initiative is conducted year-round and is focused on the safety of our youth around schools, parks, and community events. Additional efforts were concentrated around early release dates, recess days, and other events where the potential for violence may have been prevalent.

- **Youth Outreach Unit** - Northside District officers took program mentees to a Marlin's baseball game.

- **Florida International University Dialogues (Haitian Mentoring Group)** - Northside District officers interacted with a group of Haitian youth who are mentored by the university.

- **Kicking it with COPS** - In collaboration with the Miami-Dade Parks, Recreation and Open Spaces Department, officers played kickball with youth at Gwen Cherry Park. The officers were able to show the youth a human and personal side of the officers.

- **Welcome Back to School Red Carpet Event/Super Hero Events** - COPS officers participated in three Red Carpet Events and one Super Hero Event, where the students were welcomed back to school on the "Red Carpet" and by super heroes. The events took place at Miami Northwestern Senior High, Charles R. Drew K-8 Center, Brownsville Middle School, and Arcola Lakes Elementary.

- **Juvenile Safety Committee Meeting** - In collaboration with Miami-Dade Schools Police to help prevent and/or reduce violent crimes involving juveniles.

- **Hang Night** - In partnership with the Youth Activities Task Force, Town of Miami Lakes officers interacted with local juveniles to foster sound and sustainable communication with local and at-risk juveniles.

- **Police Explorer Program** - Police Explorers participated in activities in the community and at local schools, such as DARE.

- **Drug Awareness Campaign** - Drug awareness presentations were conducted on the importance of remaining drug-free, making sound decisions, and the trends surrounding synthetic drugs.

- **Curfew Sweeps** - Several curfew sweeps were conducted to locate and return violators to their parents and prevent juvenile crimes in targeted areas where youth are known to

The Miami-Dade Police Department's North Operations Division has received positive feedback from the residents relating to this initiative to keep juveniles safe and off the streets during curfew hours. The following enforcement measures have been taken in order to reduce future delinquencies involving juveniles:

- **Truancy Sweeps** - Several truancy sweeps were conducted to locate and return truants to schools and prevent juvenile crimes in targeted areas where youth are known to congregate.

- **Joint Roundtable on Juvenile Safety Initiative** - This initiative is conducted year-round and is focused on the safety of our youth around schools, parks, and community events. Additional efforts were concentrated around early release dates, recess days, and other events where the potential for violence may have been prevalent.

- **Youth Outreach Unit** - Northside District officers took program mentees to a Marlin's baseball game.

- **Florida International University Dialogues (Haitian Mentoring Group)** - Northside District officers interacted with a group of Haitian youth who are mentored by the university.

- **Kicking it with COPS** - In collaboration with the Miami-Dade Parks, Recreation and Open Spaces Department, officers played kickball with youth at Gwen Cherry Park. The officers were able to show the youth a human and personal side of the officers.

- **Welcome Back to School Red Carpet Event/Super Hero Events** - COPS officers participated in three Red Carpet Events and one Super Hero Event, where the students were welcomed back to school on the "Red Carpet" and by super heroes. The events took place at Miami Northwestern Senior High, Charles R. Drew K-8 Center, Brownsville Middle School, and Arcola Lakes Elementary.

- **Juvenile Safety Committee Meeting** - In collaboration with Miami-Dade Schools Police to help prevent and/or reduce violent crimes involving juveniles.

- **Hang Night** - In partnership with the Youth Activities Task Force, Town of Miami Lakes officers interacted with local juveniles to foster sound and sustainable communication with local and at-risk juveniles.

- **Police Explorer Program** - Police Explorers participated in activities in the community and at local schools, such as DARE.

- **Drug Awareness Campaign** - Drug awareness presentations were conducted on the importance of remaining drug-free, making sound decisions, and the trends surrounding synthetic drugs.

- **Curfew Sweeps** - Several curfew sweeps were conducted to locate and return violators to their parents and prevent juvenile crimes in targeted areas where youth are known to congregate.

Youth-involved crimes are monitored and tracked by the Crime Analysis Unit and crime updates are distributed and assigned on a daily basis to officers.

The South Operations Division's Neighborhood Resource Units (NRU) are tasked with the responsibility of curfew violation enforcement. The details are comprised of the following enforcement initiatives:

- **Traffic Enforcement** - On a weekly basis, officers conduct high visibility traffic enforcement details in areas frequented by youth, before and after school. Traffic details may include enforcement and/or education initiatives such as speed zone enforcement and seat belt violations.

- **Truancy Sweeps** - Officers participate in monthly sweeps on dates established by Miami-Dade Schools Police Department, as well as conduct regular truancy sweeps on dates likely to have high truancy (i.e., national skip day) activity.

- **Route Safety** - Enhanced visibility and directed patrol are provided at bus stops/routes (Miami-Dade Transit and Schools Transportation stops) identified as problematic or having rowdy students.

- **Curfew Sweeps** - Officers conduct weekly curfew sweeps targeting specific areas where juvenile delinquency is prevalent.

- **Park and Talk** - During available patrol time, officers respond to schools in their area, park in a visible location, and engage in conversation with school staff, parents, and students.

- **Roll Calls at Schools** - Area squads routinely conduct roll calls outside schools in a visible location.

- **Youth Rally** - Partners with Miami-Dade Parks, Recreation and Open Spaces to acquaint youth with various services available to help combat violence within the community.

- **Gun Violence Awareness Day** - Miami-Dade Police partners with Juvenile Service Department to bring awareness about gun violence; the consequences; and ask staff and youth to sign a banner in support of no guns.

- **Youth Dialogue** - Richmond Perrine Optimist Academy partners with Florida International University to allow officers to have an honest dialogue with youth in order to build a positive relationship.

During curfew sweeps, NRU officers made a concerted effort to not only warn and detain juveniles in violation of the ordinance, but also inform their parents of their child's whereabouts in hopes of correcting any detrimental behavior. During this initiative, the NRUs received positive feedback from residents and parents regarding this initiative to keep juveniles safe and off the streets during curfew hours.
