Memorandum

MIAMI-DADE COUNTY

Date: February 10, 2012

To: Honorable Chairman Joe A. Martinez
and Members, Board of County Commissioners

Subject: *Building Better Communities* - General Obligation Bond Program (BBC-GOB) Priority Lists

---

At the December 6, 2011 meeting of the Board of County Commissioners following the discussion of the BBC-GOB program, it was agreed that each Commissioner would submit a list of priority projects. Staff would then review the identified projects for cash flow needs, as well as review the projects currently in the budget, and prepare information showing the required millage rates to fund the BBC-GOB program based on these adjustments.

Attached is a report that details all projects in each District, with the priority projects highlighted. A summary page that details the total programmed expenditure per District is also provided. This report shows realistic cash flows reflecting when funding is expected to be required.

The table below shows the effect these changes would have on the millage rate with the assumed cash flows. This projection is based on the same property tax roll assumptions used in our Five-Year Financial forecast: flat for the upcoming year, and then three percent growth thereafter.

FY 2011-12 Adopted Budget Plus Priorities	
FY 2011-12	0.285
FY 2012-13	0.390
FY 2013-14	0.450
FY 2014-15	0.453
FY 2015-16	0.475
FY 2016-17	0.501
FY 2017-18	0.462
FY 2018-19	0.460
FY 2019-20	0.444
FY 2020-21	0.464

It is important to remember that GOB funds are expended on a reimbursement basis and that each project must have a financial plan in place. Even though a project has a total cost, that cost is often spread out among the years to reflect when funds will actually be needed.

If you have any questions regarding this report, please contact Deputy Mayor Edward Marquez, at 305-375-1451.
