Subject: 2015 Fall Into Wellness Fair

Thank you for taking steps to engage our employees in our Worksite Wellness initiatives. Knowledge is power, and our spring and fall events have proven to be a successful means of sharing that knowledge. These events also provide an avenue to connect our workforce with wellness industry experts and local merchants, and to engage in fun activities that educate and bring us closer to our goal of a healthier community.

Throughout the year, our employees have benefited from frequent access to health appraisals, immunizations, health fairs, behavioral coaching, and educational workshops. I support these efforts, and believe we enhance productivity, employee satisfaction, and workforce morale when we support worksite wellness.

I invite you to join me for our next **Fall Into Wellness Fair,** which will take place on Friday, October 30, 2015 on the west lawn of the Stephen P. Clark Government Center, located at 111 NW 1 Street, Miami, Florida, 33136 from 9 a.m. to 2 p.m. It will include many traditional components such as live entertainment, a farmers market, and food trucks. We will also kick off the County's United Way Campaign on stage at 11:30 a.m.

I ask that you be mindful and use discretion in affording time flexibility for staff to participate while not disrupting essential functions. In particular, we look forward to having employees participate in the themed Parade of Nations in support of the United Way.

This Fair is made possible by the combined efforts of the Administration, the in-kind contributions from our agencies and departments, and sponsorship from non-for-profit organizations and local merchants that participate in the Employee Discount Program.

For questions regarding the event, please contact Sara Vallazza of the Communication Department at (305) 375-1389 or flogom@miamidade.gov, or Dennys Gonzalez of the Department of Management and Budget at (305) 375-3894 or degonz@miamidade.gov.

I look forward to seeing you at the Fall Into Wellness Fair.
