To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor

Subject: Aircraft Hull and Liability Insurance Program

The purpose of this report is to inform the Board of County Commissioners of the annual term details of the Aircraft Hull and Liability Insurance Program (Program) effective January 8, 2016.

The Board approved Resolution R-675-11 on September 1, 2011, which awarded Contract No. 767 to Aon Risk Services, Inc of Florida as the broker to place the County's Program. This program covers the aircrafts owned and operated by the County through the Miami-Dade Fire Rescue and Police departments.

The Program's cost for the period of January 8, 2016 through January 8, 2017 is $316,356. Coverage was bound with same limits, terms, and conditions as the expiring program. The annual broker fee remains at $14,000. Credits will be afforded throughout the year when an aircraft is placed on grounded risk status. Rates for this coverage continue at a historical low and the carrier has agreed to guarantee the rates for an additional three (3) years.

A current chart of the aircrafts covered by this program is attached for your reference. If you have any questions or concerns, please contact Tara C. Smith, Director of the Internal Services Department, at 305-375-1135.
