# 2005 CERT Training Schedule

cert@miamidade.gov

January 24, 25, & 26 (Monday, Tuesday, and Wednesday)
Team name: Delta Squad
Availability: Class full

At this time, the classes for February, March, and April are at capacity. Teams of 6 or more members not currently scheduled for training can call the CERT Coordinator at (305) 468-5411. If the numbers warrant (a minimum of 12 all together), we will attempt to schedule an additional class during any one month.

Individuals not affiliated with any team are encouraged to get together with their neighbors, co-workers, or faith-based or civic group associates and form a team. If you are not successful in forming a team, please call (305) 468-5418 and place yourself on the waiting list.

We schedule individuals from the waiting list into team classes as class size allows. If we reach a point where we have enough individuals on the waiting list, we will schedule a class comprised of these individuals and make all attempts to align them with an existing team.
