SUBJECT: **Executive Order #06-83**
Regarding Contractor Licensing for
Roofing within the State of Florida

The Office of the Governor has issued Executive Order #2006-83 on April 13, 2006. This Order allows Florida licensed residential, building, and general contractors to perform roofing repairs and re-roofing throughout all the Counties in the State of Florida, subject to the limitations noted below.

The scope of the previous Executive Order #2006-31 is amended and expanded such that the provisions of Section 489.113(3) of the Florida Statues are suspended in all Counties in the State of Florida to the extent that a certified general, building, or residential contractor is not required to subcontract roofing work for the repair or installation **of roofs made of wood shakes, asphalt, or fiberglass shingles. This Order does <u>not include</u> metal, built up or tile roofing systems.**

Pursuant to Section 252.36(2) of the Florida Statute, this Executive Order shall expire 60 days from the date it was issued unless extended.
