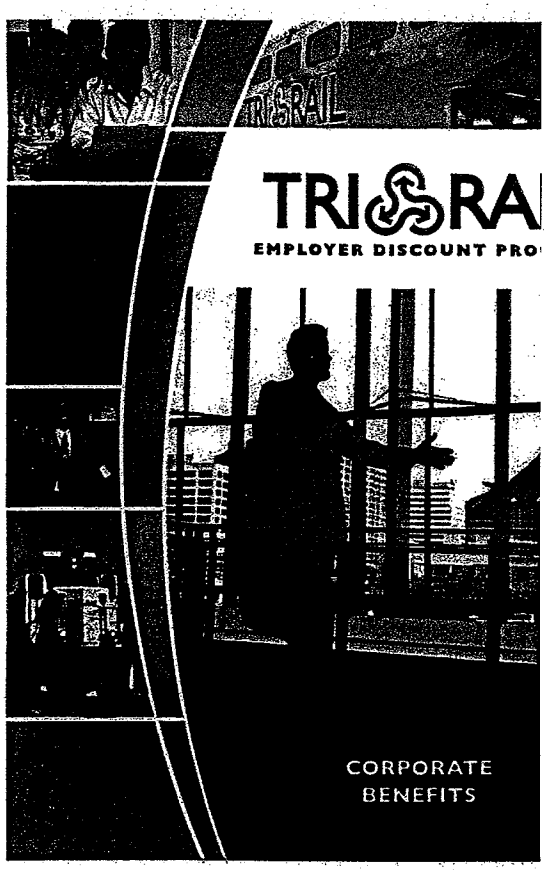
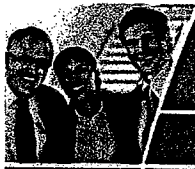
TRI-RAIL
EMPLOYER DISCOUNT PROGRAM

P.O. Box 5148 • Lighthouse Point, Florida 33074-5148
1-800-TRI-RAIL (874-7245) • Fax 954-788-7878 • www.tri-rail.com





INTRODUCING TRI-RAIL'S EMPLOYER DISCOUNT PROGRAM

Since Tri-Rail's inception in 1989, commuter rail has been a valuable component of South Florida's transportation network. Serving thousands of riders as part of the South Florida Regional Transportation Authority (SFRTA), Tri-Rail has developed the Employer Discount Program (EDP) to meet the needs of employees of area businesses.

More than half of Tri-Rail's riders are regular business travelers; some of whom may be your present and future employees. With 18 stations conveniently located throughout Broward, Miami-Dade and Palm Beach counties, Tri-Rail is a valuable transportation alternative for daily commuters. Easy connections and stress-free travel make Tri-Rail even more appealing to South Florida's growing workforce.

IT PAYS TO RIDE TRI-RAIL

With absolutely no cost and just a minimum amount of paperwork, your company, no matter how large or small, can join hundreds of other businesses enrolled in Tri-Rail's Employer Discount Program.

As a participating business, you can offer your workers a valuable employee transit benefit. Your employees will be eligible to receive a 25% discount on Monthly and 12-Trip tickets. In addition, with new federal tax incentives, your company can subsidize employee transportation costs, or offer workers pre-tax benefits with payroll deductions.

Additionally, your company is serving the community by helping to reduce the number of vehicles on our congested highways and help keep carbon emissions low.

TRI-RAIL WORKS FOR YOUR BUSINESS

As part of the SFRTA, Tri-Rail's EDP offers many advantages to your company:

- Improved employee recruitment and retention efforts
- New job markets with greater access to the entire South Florida area
- Additional employee benefit with substantial savings
- Reduced parking demand at company locations
- Tax-free incentives for corporations and employees
- Greater opportunity to access a transportation alternative
- Reduced number of vehicles on our highways
- Reduced pollution with fewer vehicles on the road

EMPLOYER/EMPLOYEE TRANSIT TAX BENEFIT

With federal tax benefits, it really does pay to ride transit! Employers who offer a transit commuter benefit program can take advantage of federal tax benefits as mandated by the Transportation Equity Act for the 21st century (TEA-21).

THE BENEFITS

The transit commuter, pre-tax benefit allows employers to give their employees up to $230 per month to cover transit commuting costs as a tax-free benefit. Alternatively, employers can allow employees to pay for the commuter benefit with payroll deductions.

OR

An employer can pay for the cost of the transit commuter, pre-tax benefit for their employees. The employer's cost of providing transit benefits can be deducted as a normal business expense.

OR

Employers can share the cost of commuting by paying for part of the transit commuter, pre-tax benefit and employees can pay for the remainder with pre-tax dollars.

No matter who pays, both the employer and employee will save money by participating. For more information about the transit commuter, pre-tax benefit program, please contact your EDP Coordinator at 954-788-7938 or via e-mail at fortier@sfrta.fl.gov.

WHEN YOUR COMPANY ENROLLS IN TRI-RAIL'S EMPLOYER DISCOUNT PROGRAM, EVERYONE IS A WINNER!

"Our employees use the convenient shuttle connections from Tri-Rail to get them to the office."

YOUR EMPLOYEES WILL BENEFIT

As soon as your company is a member of Tri-Rail's EDP, your employees can quickly take advantage of a number of valuable benefits. We can supply you with materials to promote Tri-Rail to your employees. As your employees register for the program, we work directly with them so your time commitment is as minimal as possible.

Your employees will see that it pays to ride Tri-Rail with:

- A 25% discount on Monthly or 12-Trip tickets
- A relaxed commute in air-conditioned comfort
- Convenient ticket purchasing at all train stations
- Free parking and easy connections
- Tax benefits
- Access to the Emergency Ride Home Program which provides free taxi service in an emergency situation to those registered with South Florida Commuter Services

THE PROGRAM IS EASY!

Knowing the challenges of day-to-day business activities, Tri-Rail has made enrolling in the EDP as easy as possible. Just three simple steps and your company is a member of Tri-Rail's EDP!

1. Simply complete the EDP Application and Agreement forms and return them to Tri-Rail. To qualify, your business must employ at least one person, have a business address and phone number.

2. It is important that our staff can provide your company with regular service updates and other pertinent information. All that we require is that your company assigns one contact person to promote and administrate the program within your organization.

3. Your employees are now ready to save money and use their commute time wisely once they get registered as EDP members using our easy online system. They can access the online EDP Member Application by visiting www.tri-rail.com *Employer Discount Program, Member Information, Getting Started.* If no online access is available, they can also complete the EDP Member Application and return it to us via fax or mail. We just ask that you help us promote this program by selecting one or more promotional methods of your choice, listed on the EDP Application and Agreement.

For more information on the Employer Discount Program, call 1-800-TRI-RAIL (874-7245) or visit us online at www.tri-rail.com
