

BISCAYNE GARDENS MUNICIPAL ADVISORY COMMITTEE (BGMAC)
OCTOBER 12, 2006

Present: Ann Cates, Roger Gordon, Vernell Everett, Michelle McCook, Robert Kirshbaum

Absent: Anne Zimmerman, Dorcely Estomme, Patrinia Dozier-Washington

Meeting called to order by chair Vernell Everett. Board reviewed FAQ.

Robert Kirshbaum noted that he needed a spread sheet highlighting attendants of BGMAC members and public covering the past three years. The attendance information will be included in a report that will be presented to BCC. The purpose is to justify or provide update of the progress of BGMAC. He said he will verify any meetings that are missing from BGMAC website. The spreadsheet must also account for BGMAC members that were also absent.

Mr. Kirshbaum also noted that the county will phase out the specialized police service over the next three years. The specialized police service will instead be added to the countywide tax.

Ann Cates wanted to know if the original figures of the Impact to UMSA will be re-evaluated since it has been three years since the original report. Mr. Kirshbaum said he will get information if possible. He will also get information or update for 2005-2006 from property appraiser's office of revenue.

Roger Gordon requested copies of budgets submitted by other Macs to county consultant for review.

Meeting adjourned.
