

**BISCAYNE GARDENS MUNICIPAL ADVISORY COMMITTEE (BGMAC)**  
**MINUTES**  
**JULY 14, 2005**

Present: Vernell Everett, Roger Gordon, Michelle McCook, Cheree Gulley

Conceptual agreement from Miami Lakes was presented. Staff from QNIP will be scheduled for next MAC meeting scheduled for 8/11/05.

MDPD personnel attended MAC meeting to respond to questions from the board about the difference in the numbers in the pro forma budget and the cost for specialized police quoted in budget. The MDPD staff explained that in addition to paying a countywide tax, all newly incorporated municipalities must also pay for specialized police services. Existing municipalities receive the same specialized police service from MDPD but they are exempt from paying any assessed fees.

Mr. Gordon informed the MAC that the State Revenue numbers might be higher than the previous numbers presented and would place the surplus on the pro forma budget even higher.

Meeting adjourned.
