Review of minutes for October 11, 2005 postponed to December meeting.

Presentations made by Miami-Dade Departments - Team Metro (Leon Cristiano). One Team Metro officer is assigned to the Goulds area; one half Case Manager assigned to Goulds area, as well. Team Metro does residential and commercial code enforcement. Team Metro has eight offices in South Dade County; total inspectors – 75.

Discussion on boundary dispute with Redland. Goulds MAC meetings can be suspended until boundary issue is settled with Redland or we can continue the monthly meetings. But, we should keep in mind that a new boundary will include “new budget” amounts for our study. And this will necessitate the Goulds MAC “redoing” the budget analysis if we go forward with the budget analysis of the current boundaries.

Questions from Mrs. Rolfs in reference to CRA effect on Goulds incorporation. Mr. Canty requested from Mr. Odell Ford, UMSA Representative, the possibility of having a presenter explain the CRA process to Goulds MAC members. Mr. Odell will explore the request from Mr. Canty.

Questions and/or comments from the audience.

Meeting adjourned at 7:40 pm by Mr. Canty.
