RESOLUTION NO. 09-7445

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF OPA-LOCKA, FLORIDA, EXPRESSING OPPOSITION AND STRONG CONCERNS REGARDING SENATE BILL 630 AND SIMILAR LEGISLATION THAT WOULD IMPOSE A MORATORIUM ON THE COLLECTION OF IMPACT FEES BY LOCAL GOVERNMENTS; URGING THE FLORIDA LEGISLATURE NOT TO PASS SUCH LEGISLATION AND FURTHER DIRECTING THE CITY CLERK TO TRANSMIT THIS RESOLUTION AS SET FORTH HEREIN

WHEREAS, Senate Bill 630 has been filed for consideration during the 2009 state legislative session by Senator Mike Bennett (R-Bradenton); and

WHEREAS, Senate Bill 630 would impose a three (3) year moratorium on the imposition and collection of impact fees for any purpose by a county or municipality form October 1, 2009 through September 30, 2012; and

WHEREAS, road and school impact fees collected by Miami-Dade County are countywide in nature and serve to enhance the quality of life for all residents of the County; and

WHEREAS, Senate Bill 630 or similar legislation would have a substantial fiscal impact on Miami-Dade County, including more than $20 Million for road impact fees alone, as well as on the City of Opa-locka ("City"); and

WHEREAS, passage of Senate bill 630 or similar legislation would mean that fewer funds are available for new infrastructure projects, with corresponding losses in potential jobs; and

WHEREAS, passage of Senate bill 630 or similar legislation also could have the effect of stopping infrastructure projects already planned or being contracted, with further corresponding job losses; and

Resolution No. 09-7445

WHEREAS, a moratorium on impact fees for infrastructure improvement would create concurrency deficiencies and therefore have the unintended consequence of impeding development; and

WHEREAS, studies have shown that reducing government spending by reducing fees and taxes does not stimulate the economy and that the opposite is actually true; spending government funds on needed infrastructure projects helps to stimulate the economy; and

WHEREAS, passage of Senate bill 630 or similar legislation would result in reduced infrastructure projects and a loss of construction jobs at a time when stimulus packages are being proposed at the federal, state and local levels to increase infrastructure funding associated jobs.

NOW, THEREFORE, BE IT DULY RESOLVED BY THE CITY COMMISSION OF THE CITY OF OPA-LOCKA:

Section 1. The recitals to the preamble herein are incorporated by reference.

Section 2. The City Commission of the City of Opa-locka hereby expresses opposition and strong concerns regarding Senate Bill 630 and similar legislation that would impose a moratorium on the imposition and collection of impact fees by local governments and further urges the Florida legislature not to pass such legislation.

Resolution No. 09-7445
