Track Record/Monitor

Magesco, Inc. is currently performing work for PWD at a satisfactory level as reported by the Project Manager. PWD has reviewed the Office of Capital Improvements (OCI) database and found 33 awarded construction contracts and 37 contractor performance evaluations (several contracts having two (2) evaluations on file, an interim and a project closeout) with an overall performance rating of guarded performance (2.4) out of a possible superior performance (4.0) rating. The company received lower ratings on some projects for not adhering to anticipated production schedules; however, even within those projects, improvement was demonstrated as the project progressed. For their 5 most recent evaluations dating back to January 2009, Magesco has shown improvement in their performance and has maintained a Satisfactory (3.0) performance rating. PWD will monitor the contractor on each work order issued to ensure compliance with project schedules. The Department of Small Business Development's (SBD) History of Violation's report lists no violations for this contractor.

Following PWD's standard operating procedures, after award of this contract, a pre-construction meeting will be scheduled.

Throughout all PTP projects, the responsible staff person in PWD will be the PTP Coordinator, Mr. Frank Aira, P.E. Following completion of the award process, the project will be assigned to Mr. Oscar Rubio, Project Manager, for day to day responsibilities.

According to the Florida Department of State, Division of Corporations, Magesco, Inc., Company Principals are: Marc Gauthier and Michelle Gauthier and the Company's address is listed as: 7010 NE 4 Court, Miami, Florida 33138.

Background

In an effort to carry on the success of the PTP Neighborhood Improvements initiative, PWD continues to take advantage of various contracting mechanisms such as the subject Miscellaneous Construction Contracting (MCC) process available under the MCC 7040 Program. Through this process, PWD forwards the RPQ, by way of facsimile transmission, to a pool of pre-qualified Community Small Business Enterprise (CSBE) contractors for the subject trade. Additionally, PWD advertises the project in the Daily Business Review and all solicitations are available on-line through the Miami-Dade County portal under the "Procurement Solicitations" link. The project award evaluation is based upon the lowest sum bid submitted by the responsive, responsible bidder for the project.

PWD staff determined that the scope of work for this project qualified for a CSBE set-aside (Levels I, II, and III) designation. In addition, the Community Workforce Program (CWP) has been established for this project. Several work locations fall within a Designated Target Area (DTA) and are subject to a 13.1% CWP Goal.

On January 26, 2011, PWD forwarded an RPQ for the PTP Internally Illuminated Street Name Sign Contract - Countywide, utilizing the OCI contract MCC 7040 Plan - CICC 7040-0/07, to a list of 40 pre-qualified firms. A total of five (5) firms purchased contract documents and all five (5) firms proffered a bid. On February 28, 2011, Magesco, Inc. proffered the lowest responsive, responsible base bid of $198,982.30, 13% below the County's cost estimate; the second lowest bidder, Brailly Electric Corp. proffered a base bid of $207,866.00, 9% over the lowest bidder; the third lowest bidder, United Signal, Inc. proffered a base bid of $212,940.00, 6% over the second lowest bidder. As a result, on March 2, 2011, PWD issued a recommendation of award for RPQ No. 20110011 to Magesco, Inc., with the stipulation that approval of this project must be obtained from the CITT and the BCC due to guidelines associated with the funding source.

The work to be accomplished for this project consists of, but is not limited to, furnishing all supervision, labor, required materials, tools and equipments required to provide the installation of internally illuminated street name signs at designated sites within Miami-Dade County. The work includes the removal of existing overhead signs, relocation of existing signal heads and tree trimming in conflict with the proposed scope of work as directed by the Engineer. The Contractor shall keep the Engineer informed at all times of his work schedule, in order for the project to be inspected during all phases of installation, including wire splicing, installation of conductors and any work involving the electrical connections at the controller cabinet.

Request for Price Quotation (RPQ) No. 20110011 – MCC 7040 Plan – CICC 7040-0/07
People's Transportation Plan (PTP) Internally Illuminated Street Name Sign

Dear Mr. Gauthier:

This letter will serve as your notification that you have been recommended for award for the above referenced RPQ based on your Price Quotation submitted on Monday, February 28, 2011. The total RPQ amount is for two hundred thirty-five thousand three hundred sixty dollars and eighteen cents ($235,360.18). This includes a base contract amount of one hundred ninety-eight thousand nine hundred eighty-two dollars and thirty cents ($198,982.30), a contingency amount of nineteen thousand eight hundred ninety-eight dollars and twenty-three cents ($19,898.23), and dedicated allowances totaling sixteen thousand four hundred seventy-nine dollars and sixty-five cents ($16,479.65). The contract duration is established as **150-calendar days**. However, the recommendation of award is contingent upon the submission of the required items listed below:

1. Performance and Payment Bond as required in Contract No. MCC 7040 Plan, Section 2.0 Special Conditions, Page 16, Article 2.11, **PERFORMANCE AND PAYMENT BOND**. (The **original attached documents** must be used and three (3) sets must be provided).
2. Letter from Bonding Agent granting Miami-Dade County authorization to date the Performance Bond.
3. Copies of current insurance certificates.
4. Copies of required license(s).
5. Submit Workforce Plan to the issuing/user department within fifteen (15) days of Notice of Award for project specific and within fifteen (15) days from Notice to proceed for work orders.

The preceding documents are required as outlined within Contract MCC 7040 Plan and to be submitted within 10 business days. Failure to submit the document(s) within the specified time, or any extension granted, will result in the award being rescinded. Subsequent to the review and approval of the aforementioned documents, you are required to obtain the required permits in the time stipulated in the RPQ. Upon obtaining the permit(s), a copy(s) must be submitted to the Project Manager prior to commencement of work.

No work is to be performed without a permit unless the Project Manager issues a written directive to proceed without permit(s). This letter will also serve as a reminder that all work must be performed according to the scope of work and contract's terms and conditions, all permits and inspections and in accordance with all applicable Federal, State and local laws, codes and regulations.

Additionally, this contract, along with any future contracts awarded to your firm, have very similar completion schedules and competing deadlines. Please be advised that your firm must have the resources to ensure work proceeds without delay once the "Notice to Proceed" is issued. This will result in your firm working on multiple contracts concurrently. Lack of equipment and/or personnel will not be reason for delay.

Further, it shall be understood that since proceeds from the Charter County Transportation System Sales Surtax levied pursuant to Section 29.121 of the Code of Miami-Dade County may be used to pay for all or some part of the cost of this contract, no award of this contract shall be effective and thereby give rise to a contractual relationship with the County unless and until the Citizens' Independent Transportation Trust (CITT) and the County Commission have approved the award of the contract, and such award becomes final (either by expiration of 10 days after such award without veto by the Mayor, or by Commission override of a veto).

Please contact Mr. Ultimo De Oliveira, OCI office, at (305) 375-5265 to insure that your file is complete for award consideration.
