Subject: Contract Award Recommendation in the Amount of $250,443.84 to Guaranteed Fence Corp. for the People's Transportation Plan Project Entitled Fence Installation and Repair and Authorizing the Use of Charter County Transportation Surtax Funds

---

Recommendation

The attached Contract Award Recommendation for the People's Transportation Plan (PTP) project entitled *Fence Installation and Repair* (Project MCC 7040 Plan - CICC 7040-0/07 Request for Price Quotation No. 20110058) in the amount of $250,443.84 to Guaranteed Fence Corp. was prepared by the Public Works Department (PWD) and is recommended for approval by the Board of County Commissioners (Board).

Proceeds from a Charter County Transportation System Sales Surtax Bond Sale will be used to fund this project; therefore, review by the Citizens' Independent Transportation Trust (CITT) is required before final approval by the Board.

Scope

The work to be performed under the life of this contract includes fence installation and repair along NW 74 Street from NW 102 Avenue to NW 87 Avenue in Commission District 12.

Fiscal Impact/Funding Source

The value of this contract award is $250,443.84 and will be funded from Charter County Transportation Surtax 2010 Bond Proceeds as programmed within the adopted FY 2010-11 Capital Budget. The base contract amount is $221,557.00, but the total amount is inclusive of the contingency and dedicated allowances. There are no recurring operating or maintenance costs anticipated with this contract.

The proposed improvements are part of the site-specific project along NW 74 Street included in the PTP Ordinance under the Board Requested Projects in Commission District 12. Additionally, these improvements are covered under the existing Joint Participation Agreement (JPA) with the FDOT (Resolution #236-08) and eligible for reimbursement under the terms of the agreement. The funding index code for this project is CPEPTP41274S0.

Delegation of Authority

No additional authority is being requested within the body of this contract.

Track Record/Monitor

Guaranteed Fence Corp. has not performed work for PWD; however the Office of Capital Improvements (OCI) database lists 101 awarded construction contracts and 78 contractor performance evaluations with an overall performance rating of satisfactory performance (3.5) out of a possible superior performance (4.0) rating. The Department of Small Business Development's History of Violation's report lists no violations for this contractor.

According to the Florida Department of State, Division of Corporations, Guaranteed Fence Corp., Company Principals are Jorge Gomez and Gomez G. Maydel and the Company's address is listed as 12935 SW 72 Terrace, Miami, Florida 33013.

Following PWD's standard operating procedures, after award of this contract, a pre-construction meeting will be scheduled. The responsible staff person for all PTP projects in PWD is PTP Coordinator, Mr. Frank Aira, P.E. Following completion of the award process, the project will be assigned to Mr. Joaquin Rabassa, P.E., Project Coordinator, for day to day responsibilities.

Background

For the construction of the roadway project along NW 74 Street from NW 87 Avenue to NW 107 Avenue, PWD entered into agreements with the adjacent property owners in order to obtain the necessary right-of-way and temporary construction easements. The agreement between the County's Department of Solid Waste Management and PWD for their dedication of the right-of-way contained a provision that PWD was to replace the existing fence which separated the property from the roadway with a new fence. Likewise, the Settlement Agreement for the Eminent Domain proceedings between Miami-Dade County and Generation Three, Inc. (approved through Resolution R-1441-08) called for the existing land berms which separated the property from the roadway to be replaced with a new fence. This RPQ provides for the installation of the new fence along these properties.

As part of the PTP Neighborhood Improvements initiative, PWD continues to take advantage of various contracting mechanisms such as the Miscellaneous Construction Contracting (MCC) process available under the MCC 7040 Program. Through this process, PWD forwards the Request for Proposal Quotation (RPQ) by way of facsimile transmission to a pool of pre-qualified Community Small Business Enterprise (CSBE) contractors for the respective trade. Additionally, PWD advertises the project in the *Daily Business Review* and all solicitations are available on-line through the Miami-Dade County portal under the "Procurement Solicitations" link. The project award evaluation is based upon the lowest bid submitted by the responsive, responsible bidder for the project.

PWD staff determined that the scope of work for this project qualified for a CSBE set-aside (Levels I, II, and III) and determined that the project does not fall within a Designated Target Area; therefore, the Community Workforce Program does not apply to this project. On May 2, 2011, PWD forwarded RPQ No. 20110058 for the PTP Fence Installation and Repair project, utilizing the OCI contract MCC 7040 Plan, to a list of 209 pre-qualified firms. A total of nine firms purchased contract documents and two firms proffered a bid.

On June 8, 2011, Guaranteed Fence Corp. proffered the lowest responsive, responsible base bid of $221,557.00, 15 percent below the County's cost estimate. The second lowest bidder, Caridad Gomez/ dba Gomez and Son Fence, proffered a base bid of $237,476.55, seven percent over the lowest bidder. As a result, on June 15, 2011, PWD issued a recommendation of award for RPQ No. 20110058 to Guaranteed Fence Corp., with the stipulation that approval of this project must be obtained from the CITT and the BCC in accordance with the PTP ordinance.

The work to be accomplished for this project consists of, but is not limited to, furnishing all supervision, labor, required materials, equipment and tools to perform all operations necessary to remove, repair, furnish and install a six foot chain link fence.

People's Transportation Plan (PTP) Fence Installation and Repair
NW 74th Street, from NW 102nd Avenue to NW 87th Avenue

Dear Mr. Gomez:

This letter will serve as your notification that you have been recommended for award for the above referenced RPQ based on your Price Quotation submitted on Wednesday, June 8, 2011. The total RPQ amount is for two hundred fifty thousand four hundred forty-three dollars and eighty-four cents ($250,443.84). This includes a base contract amount of two hundred twenty-one thousand five hundred fifty-seven dollars and zero cents ($221,557.00), a contingency amount of twenty-two thousand one hundred fifty-five dollars and seventy cents ($22,155.70), and dedicated allowances totaling six thousand seven hundred thirty-one dollars and fourteen cents ($6,731.14). The contract duration is established as **90-calendar days.** However, the recommendation of award is contingent upon the submission of the required items listed below:

1. Performance and Payment Bond as required in Contract No. MCC 7040 Plan, Section 2.0 Special Conditions, Page 16, Article 2.11, **PERFORMANCE AND PAYMENT BOND**. (The **original attached documents** must be used and three (3) sets must be provided).
2. Letter from Bonding Agent granting Miami-Dade County authorization to date the Performance Bond.
3. Copies of current insurance certificates.
4. Copies of required license(s).
5. Submit Workforce Plan to the issuing/user department within fifteen (15) days of Notice of Award for project specific and within fifteen (15) days from Notice to proceed for work orders.

The preceding documents are required as outlined within Contract MCC 7040 Plan and to be submitted within 10 business days. Failure to submit the document(s) within the specified time, or any extension granted, will result in the award being rescinded. Subsequent to the review and approval of the aforementioned documents, you are required to obtain the required permits in the time stipulated in the RPQ. Upon obtaining the permit(s), a copy(s) must be submitted to the Project Manager prior to commencement of work.

6

No work is to be performed without a permit unless the Project Manager issues a written directive to proceed without permit(s). This letter will also serve as a reminder that all work must be performed according to the scope of work and contract's terms and conditions, all permits and inspections and in accordance with all applicable Federal, State and local laws, codes and regulations.

Additionally, this contract, along with any future contracts awarded to your firm, have very similar completion schedules and competing deadlines. Please be advised that your firm must have the resources to ensure work proceeds without delay once the "Notice to Proceed" is issued. This will result in your firm working on multiple contracts concurrently. Lack of equipment and/or personnel will not be reason for delay.

Further, it shall be understood that since proceeds from the Charter County Transportation System Sales Surtax levied pursuant to Section 29.121 of the Code of Miami-Dade County may be used to pay for all or some part of the cost of this contract, no award of this contract shall be effective and thereby give rise to a contractual relationship with the County unless and until the Citizens' Independent Transportation Trust (CITT) and the County Commission have approved the award of the contract, and such award becomes final (either by expiration of 10 days after such award without veto by the Mayor, or by Commission override of a veto).

Please contact Mr. Ultimo De Oliveira, OCI office, at (305) 375-5265 to insure that your file is complete for award consideration.
