This Contract Award Recommendation may only be considered by the BCC if the Citizens' Independent Transportation Trust (CITT) has forwarded a recommendation to the BCC prior to the date scheduled for BCC consideration or forty-five (45) days have elapsed since the filing with the Clerk of the Board of this contract award recommendation. If the CITT has not forwarded a recommendation and forty-five (45) days have not elapsed since the filing of this award recommendation, I will request a withdrawal of this item.

Track Record/Monitor

- three (3) from the Water and Sewer, and
- one (1) from the Public Works and Waste Management Department.

The referenced database also lists a total of two (2) contractor performance evaluations with an overall performance rating of 3.1 (satisfactory performance), out of a possible 4.0 (superior performance) rating. The Small Business Development Division (SBD) History of Violation's report lists no violations for this contractor.

According to the Florida Department of State, Division of Corporations, E & M Equipment Corp., Company Principals are: Edrey Rodriguez and Jorge L. Martinez and the Company's address is listed as: 3450 West 84 Street, Suite 202B, Hialeah, Florida 33018.

Following PWWM's standard operating procedures, after award of this Contract, a pre-construction meeting will be scheduled. The person responsible for all PTP projects in PWWM is Capital Improvements Coordinator, Mr. Alejandro Martinez-Esteve, RA, LEED AP. Following completion of the award process, the project will be assigned to Mr. Leo Salgueiro, Project Coordinator, for day-to-day responsibilities.

Background
As part of the PTP Neighborhood Improvements initiative, PWWM continues to take advantage of various contracting mechanisms such as the Miscellaneous Construction Contracting process available under the MCC 7040 Program. Through this process, PWWM forwards a Request for Price Quotation, by way of facsimile transmission, to a pool of pre-qualified Community Small Business Enterprise (CSBE) contractors for the respective trade. Additionally, all solicitations are available on-line through the Miami-Dade County portal under the "Procurement Solicitations" link. The project's award evaluation is based upon the bid submitted by the lowest responsive, responsible bidder for the project.

PWWM staff determined that the scope of work for this project qualified for a CSBE set-aside (Levels I, II, and III). A Community Workforce Program Goal was deemed not applicable to this RPQ. On February 7, 2014, PWWM forwarded RPQ No. 20140011, utilizing the MCC 7040 Plan - CICC 7040-0/07 Contract, to a list of 288 pre-qualified firms. A total of three (3) firms purchased contract documents and ten (10) firms proffered a bid.

On March 14, 2014, E & M Equipment Corp. proffered the lowest responsive and responsible base bid of $665,366.76, eight (8) percent above the County's cost estimate. The second lowest bidder, Acre Engineering and Construction, Inc., proffered a base bid of $677,017.50, ten (10) percent above the County's cost estimate. The third lowest bidder, RG Underground Engineering, Inc., proffered a base bid of $698,365.50, 13 percent above the County's cost estimate.

Based on the results of the solicitation, PWWM issued a recommendation for award on March 24, 2014 for RPQ No. 20140011 to E & M Equipment Corp., with the stipulation that approval for this project must be obtained from the CITT and the BCC.

The work to be accomplished for this project consists of, but is not limited to, furnishing all supervision, labor, required materials, tools and equipment required to provide construction and installation of drainage structures, french drains, miscellaneous drainage improvements, grading, sodding, and miscellaneous roadway restoration including construction of concrete curb and gutters, and sidewalks in accordance with the plans.

Re: **Recommendation for Award**
Request for Price Quotation (RPQ) No. 20140011 (MCC 7040 Plan - CICC 7040-0/07)
People's Transportation Plan Doral Arterial Drainage Improvements

Dear Mr. Martinez:

This letter will serve as your notification that you have been recommended for award for the above referenced RPQ based on your Price Quotation submitted on Friday, March 14, 2014. The total RPQ amount is for seven hundred seventy-five thousand seven hundred ten dollars and seventy-eight cents ($775,710.78). This includes a base contract amount of six hundred sixty-five thousand three hundred sixty-six dollars and seventy-six cents ($665,366.76), a contingency amount of sixty-six thousand five hundred thirty-six dollars and sixty-eight cents ($66,536.68), and dedicated allowances totaling forty-three thousand eight hundred seven dollars and thirty-four cents ($43,807.34). The contract duration is established as **220-calendar days**. However, the recommendation of award is contingent upon the submission of the required items listed below:

1. Performance and Payment Bond as required in Contract No. MCC 7040 Plan, Section 2.0 Special Conditions, Page 16, Article 2.11, **PERFORMANCE AND PAYMENT BOND**. (The **original attached documents** must be used and three (3) sets must be provided).
2. Letter from Bonding Agent granting Miami-Dade County authorization to date the Performance Bond.
3. Copies of current insurance certificates.
4. Copies of required license(s).

The preceding documents are required as outlined within Contract MCC 7040 Plan and to be submitted within 10 business days. Failure to submit the document(s) within the specified time, or any extension granted, will result in the award being rescinded.

Subsequent to the review and approval of the aforementioned documents, you are required to obtain the required permits in the time stipulated in the RPQ. Upon obtaining the permit(s), a copy(s) must be submitted to the Project Manager prior to commencement of work. No work is to be performed without a permit unless the Project Manager issues a written directive to proceed without permit(s).

This letter will also serve as a reminder that all work must be performed according to the scope of work and contract's terms and conditions, all permits and inspections and in accordance with all applicable Federal, State and local laws, codes and regulations.

Additionally, this contract, along with any future contracts awarded to your firm, have very similar completion scheduled and competing deadlines. Please be advised that your firm must have the resources to ensure work proceeds without delay once the "Notice to Proceed" is issued. Lack of equipment, personnel or additional contracts with similar completion schedules, will not be reason for delay.

Further, it shall be understood that since proceeds from the Charter County Transportation System Sales Surtax levied pursuant to Section 29.121 of the Code of Miami-Dade County may be used to pay for all or some part of the cost of this contract, no award of this contract shall be effective and thereby give rise to a contractual relationship with the County unless and until the Citizens' Independent Transportation Trust (CITT) and the County Commission have approved the award of the contract, and such award becomes final (either by expiration of 10 days after such award without veto by the Mayor, or by Commission override of a veto).
