As a reminder, Ryan White Program oral health care services are available to eligible HIV+ clients who have a gross household income that does not exceed 400% of the Federal Poverty Level, and who permanently reside in Miami-Dade County.

Ryan White Program Part A-funded oral health care services continue to be limited to \$3,000 per client per Ryan White Part A fiscal year (e.g., March 1, 2011 through February 28, 2012). However, very limited exceptions to the annual cap may be approved by the County, with consultation from the Miami-Dade HIV/AIDS Partnership's Oral Health Care Subcommittee as needed, on a case-by-case basis for the provision of preventative oral health care services only.

The FY 2011-2012 Ryan White Program Oral Health Care Formulary will also be added to the following website, [www.miamidade.gov/ryanwhite/](http://www.miamidade.gov/ryanwhite/) by February 16, 2011. The PDF version of the formulary will be available in two sorts: 1) by category of service and 2) by oral health care procedure code (i.e., CDT code). Please contact Carla Valle-Schwenk, Program Administrator, at (305) 375-4742 with any questions related to this revised formulary and/or requests for approval of supplemental rates for oral health care procedures. Thank you for your continued cooperation.

Sincerely,
