

## RAMADAN OPEN HOUSE

*ICGM-IJA and ISOM-coalition partners of COSMOS* cordially invite you, family and friends to Ramadan Open House (breaking of the fast and dinner)

Ramadan is a time of introspection, discipline, patience, charity, and compassion; it is also a time for celebration and spiritual reflection when Muslims all over the world observe fasting from dawn to dusk. Traditionally, the daily fast is broken with an “*Iftaar*,” a meal shared with family and friends.

Ramadan Open House is a special opportunity for our non-Muslims friends to experience this important part of Muslim tradition. Let us share part of our Ramadan experience with you.

We will be pleased and honored to welcome you at all of the events on following days.
