The attached Contract Award Recommendation for the Baywalk Bike Path South Port Blvd., located within Commission District 5 (Project – CICC 7040-0/07 RPQ No. 20070501), in the amount of $200,866.40, between Kailas Corp. and Miami-Dade County has been prepared by the Public Works Department (PWD) and is recommended for approval. Proceeds from the Charter County Transit System Sales Surtax (the Surtax) will be used to fund this project, therefore, approval by the Board of County Commissioners (BCC) and Citizens' Independent Transportation Trust (CITT) is required.

The fiscal impact will be approximately $200,866.40 and will be funded from the Surtax. The proposed improvements qualify under the allowable work categories included in the PTP Neighborhood Improvements Section. Specific funding for this project will be allocated from the Commission District 5 PTP yearly allocations. The base contract amount is $179,744.00, but the total allocated amount is $200,866.40, which is inclusive of the contingency and dedicated allowances.

Delegation of Authority

No additional authority is being requested within the body of this contract.

Track Record/Monitor

The Office of Capital Improvement (OCI) database lists 15 awarded construction contracts and are listed as follows: one (1) from the Department of Corrections and Rehabilitation (CR), two (2) from the Department of Environmental Resources Management (DERM), 2 from the Fire Rescue Department, eight (8) from the Parks & Recreation Department (PRD), 1 from PWD and 1 from the Seaport Department (SP). The referenced database also lists a total of six (6) contractor performance evaluations and are listed as follows: 2 from DERM, three (3) from PRD and 1 from CR with an overall performance rating of satisfactory (3.8) out of a possible superior performance (4) rating. There are no contractor performance evaluations from PWD since this is the first contract between the contractor and the Department. In addition, the Department of Small Business Development's (SBD) History of Violation's report lists no violations for this contractor.

Following PWD's standard operating procedures, after award of this contract, a pre-construction meeting will be scheduled. Throughout all PTP projects, the responsible staff person in PWD will be the PTP Coordinator, Mr. Frank Aira, P.E. Following completion of the award process, the project will be assigned to Mr. Rudy Raghunandan, Project Coordinator, for day to day responsibilities.

According to the Florida Department of State, Division of Corporations, Kailas Corp., Company Principal is: Jorge Paz and the Company's address is listed as: 12101 NW 98 Avenue, Bay #6, Miami, Florida 33018.

Background

In an effort to accelerate the continued success of the PTP Neighborhood Improvements initiative, PWD is taking advantage of various contracting mechanisms such as the subject Miscellaneous Construction Contracting process available under the Office of Capital Improvements (OCI) contract CICC 7040-0/07. Through this process, PWD forwards the Request for Price Quotation (RPQ), by way of facsimile transmission and US-mail, to a pool of pre-qualified Community Small Business Enterprise (CSBE) contractors for the subject trade. The project award evaluation is based upon the lowest sum bid submitted by the responsive, responsible bidder for the project.

PWD staff determined that the scope of work for this project qualified for a CSBE set-aside (Levels I, II, and III) designation. Therefore, on January 17, 2008, PWD forwarded an RPQ for the Baywalk Bike Path South Port Blvd., utilizing the OCI contract CICC 7040-0/07, to a list of 73 pre-qualified firms. Nineteen (19) firms purchased contract documents and 11 firms proffered a bid. Kailas Corp. proffered the lowest responsive, responsible bid at $179,744.00, 7% below the County's cost estimate. The second lowest bidder, Star Paving Corp, proffered a bid of $188,362.00, 5% over the lowest bidder. The third lowest bidder, Quality Paving Corp., proffered a bid of $198,789.00, 6% over the second lowest bidder. As a result, on March 25, 2008, PWD issued a recommendation of award for RPQ 20070501 to Kailas Corp., with the stipulation that approval of this project must be obtained from the BCC and the CITT due to guidelines associated with the funding source.

The work to be accomplished for this project consists of, but is not limited to, furnishing all supervision, labor, required materials, equipment, tools and performing all operations necessary to perform the construction of a pedestrian/bicycle joint use facility. The work shall consists of clearing and grubbing, construction of color concrete sidewalks, milling, curb and gutter, pavement markings, sodding, fencing and signage. The pedestrian/bicycle facility will continue from Bike Route 1, currently located on Biscayne Blvd. and follow the old Port Blvd. Bridge Road to an underpass beneath the Port Blvd. Bridge to connect to Parcel B behind the American Airlines Arena.

Memorandum

MIAMI-DADE COUNTY

Date: March 18, 2008

To: Department Directors

From: Penelope Townsley, Director
Department of Small Business Development

Subject: Goal Deficit Make-up Report

The Department of Small Business Development (SBD) is responsible for monitoring awarded contracts for compliance with the following programs: Community Small Business Enterprise (CSBE), §10-33.02 Code of Miami-Dade County; Community Business Enterprise (CBE), § 2-10.4 Code of Miami-Dade County; and the Small Business Enterprise (SBE), §2-221 through §2-228 Code of Miami-Dade County. Pursuant to these programs, contractors who fail to achieve the CSBE, CBE or SBE measure on contracts must make up any deficits in these goals on future County work. The makeup amount is equal to double the dollar value of the deficit amount. Further, the aforementioned programs require that a make-up be made a condition of any new award.

Attached, is a summary of those firms that have a pending goal deficit make up. Please contact SBD prior to awarding a contract to any of these firms so that we can ensure that the make up requirements are met prior to award. Should you have any questions, please contact Alecia Anderson, Compliance Officer 2, Contract Review and Compliance Division, at (305) 375-3157.
