Memorandum

MIAMI-DADE COUNTY

Date: July 8, 2010

Agenda Item No. 8(C)(1)(D)

To: Honorable Chairman Dennis C. Moss
and Members, Board of County Commissioners

From: George M. Burgess
County Manager

Resolution No. R-716-10

Subject: Scott & Mitch Enterprise, LLC d/b/a America Non-Emergency Medical Transportation application for two (2) combination wheelchair and stretcher vehicles

---

RECOMMENDATION

It is recommended that the Board approve the application of Scott & Mitch Enterprise, LLC d/b/a America Non-Emergency Medical Transportation for two (2) Certificates of Public Convenience and Necessity to operate two (2) combination wheelchair and stretcher vehicles.

SCOPE

These Certificates of Public Convenience and Necessity are countywide, allowing the certificate holder to operate in unincorporated and incorporated areas of Miami-Dade County.

FISCAL IMPACT/FUNDING SOURCE

There is no fiscal impact to the County.

TRACK RECORD/MONITOR

Applicant is a new service provider. There is no enforcement history. The Consumer Services Department (CSD) will be responsible for monitoring this company.

BACKGROUND

On December 18, 1980, the Board of County Commissioners adopted Ordinance 80-145, later codified in Chapter 4, Article III of the Code of Miami-Dade County, providing for the regulation of nonemergency medical transportation. Section 4-44 of the County Code provides the procedures to be followed by the County in processing certificate applications. Based upon those requirements, the Board may issue or refuse to issue the certificate as applied for, or may issue the certificate with modifications or upon such terms and conditions as in its judgment the public interest may require. In reaching a determination, the Board shall consider the application, the County Manager's recommendation, all matters presented during the public hearing held at the June 8, 2010, Government Operations Committee (GOC) meeting, and among others, the following criteria:

(1) The ability of the applicant to provide the proposed service;
(2) The adequacy of the management plan of the applicant; and
(3) The benefits that will accrue to the public interest from the proposed service.

Scott & Mitch Enterprise, LLC d/b/a America Non-Emergency Medical Transportation, located at 800 N. Miami Avenue, #E1704, Miami, Florida 33136, seeks to obtain two (2) Certificates of Public Convenience and Necessity to provide combination wheelchair and stretcher nonemergency medical transportation service to individuals requiring this type of transportation.

The applicant seeks to transport patients to and from various medical facilities throughout Miami-Dade County seven (7) days a week, 24 hours a day. Nonemergency Transportation rates are not regulated by Miami-Dade County; however, under the Code the Certificate Holder must file their rates with CSD and post them within the passenger compartment section of each vehicle. The proposed rates are listed on the attached rate schedule. The vehicles operated under these certificates will be required to meet the requirements of Section 4-49 of the Code establishing vehicle inspection frequencies.

The management plan submitted by Mr. Michelet Orange, Manager of Scott & Mitch Enterprise, LLC d/b/a America Non-Emergency Medical Transportation, includes maintenance, communication, and record keeping systems and meets the requirements of the Code. All required financial statements and credit references have been submitted. The proposed service standards meet all requirements of the Code and adequately meet transportation and comfort needs. A background investigation reveals no criminal record within the last five years for the officer(s) of the corporation.

The proposed services to be provided under this certificate will increase the availability of licensed nonemergency medical transportation in Miami-Dade County thus providing increased competition and high service standards to the public.

Non-Emergency Services

The following are *America Non-Emergency Medical Transportation* guidelines for reimbursement of non-emergency transportation. These guidelines should be used for Non-Emergency billing purposes.

General Guidelines

Fees specify lift van reimbursement only. Flat-rate, pick-up fees are not applicable.

Additional gasoline surcharge fees are not reimbursable as they are included in fee schedule reimbursement.

Very remote areas are considered 50 miles or more.

Wait-time fees are reimbursed at the fee rates listed below. A cumulative total-day wait time of one hour or more can be charged. There is no wait-time reimbursement for anything less than one hour for an entire day.

Any transportation fees outside of this schedule should be negotiated between the payer and *America Non-Emergency Medical Transportation* before services are rendered.

Description	Maximum Allowable Rate
Per-mile charge	$1.50 per mile
Wait-time charge first hour	$37.68 first 60 minutes
Wait-time charge additional time	$8.42 each additional 15 minutes
Loading and unloading of patient	$31.68 per trip, not to exceed $81.36 per day
After hours, weekends, and holidays	Regular working hours are considered to be Monday thru Friday, 6:00 a.m. to 6:00 p.m. Saturday and Sunday are considered to be weekend days. An additional charge not to exceed $23.43 per day may be billed if pick-up time is earlier than 6:00 a.m. or later than 6:00 p.m. weekdays. An additional charge not to exceed $23.43 per day may be billed for pick up on weekend-days and holidays.
Additional handling fees	If stretcher transportation or other unusual handling is required, this should be identified and negotiated prior. Otherwise charges are included in loading fees.
Additional fees – rural areas	Negotiate fee prior.
Passenger pick-up when driver is leaving from and returning home	No additional reimbursement unless it is a very remote area and then reimbursement must be negotiated prior.
Rush – less than 24 business hours	$15.43
Late cancellation – two business hours or less	$20.68
No-call/no-show charges	A $50.28 charge may be billed; $75.70 charge for very remote (50 miles or more) areas

ARTICLE III. NONEMERGENCY MEDICAL TRANSPORTATION*

Sec. 4-41. Short title.

This article shall be known as the "Nonemergency Medical Transportation Ordinance."

(Ord. No. 80-145, § 1, 12-18-80)

Sec. 4-42. Legislative findings and intent.

(a) During the 1979 State legislative session, authority for regulation of nonemergency medical transportation was transferred from the Public Service Commission to the Department of Health and Rehabilitative Services (Chapter 401, Florida Statutes). It mandated the elimination of economic regulations at the State level and required each County to establish local control of the industry. A prior condition for obtaining a State license and permit is a County certificate of public convenience and necessity.

(b) The purpose of this article is to ensure the health and safety of those citizens who must use nonemergency transportation. Regulation of the nonemergency medical transportation industry is susceptible to and can most effectively be carried out under a uniform plan of regulation to [of] the County as a whole.

(c) Artificial restrictions upon the nonemergency medical transportation industry based solely upon economic regulations, that limit competition and impose unreasonable standards on the industry, are not in the best interest of the health, welfare, safety and convenience of the handicapped and disabled residents of the County who rely on this form of transportation. The riding public should not be required to bear the effects of governmentally imposed restrictions upon the industry which are artificial or unnecessary.

(Ord. No. 80-145, § 2, 12-18-80)

Sec. 4-43. Definitions.

For the purposes of this article, the following definitions shall apply:

(a) *Chauffeur* means a driver registered with and authorized by the Consumer Services Department to operate a nonemergency medical vehicle.

(b) *Commission* means the Board of County Commissioners of Dade County, Florida.

(c) *Applicant* or *person* means any natural person(s), firm, partnership, association, corporation, or other business or governmental entity.

(d) *Director* means the Dade County Consumer Services Department Director.

(e) *CSD* means the Dade County Consumer Services Department.

(f) *Fares* or *rates* means the charges established pursuant to this article to be paid for the transportation services provided by an operator.

(g) *Trade name* means the name under which any person(s), firm, partnership, association or corporation operates its business.

(h) *Operate* means provide transportation services utilizing a nonemergency vehicle.

(i) *Operator* means any person who has been issued a certificate in accordance with the provisions of this article.

(j) *Certificate* means a certificate of public convenience and necessity authorizing the holder thereof to engage in providing the transportation services described thereon.

(k) *Nonemergency medical transportation service or nonemergency service* means the transportation of persons while on stretchers or wheelchairs, or whose handicap, illness, injury or other incapacitation makes it impractical to be transported by a regular common carrier such as bus or taxicab service, and neither need nor expect to need medical attention enroute. The definition of nonemergency medical transportation service or nonemergency service shall also include service provided by any vehicle operating under a Dade County certificate of public convenience and necessity received under this article which is designed to accommodate no more than eight (8) passengers, exclusive of the driver and which is equipped to transport passengers confined to a wheelchair, where such vehicle is provided by Dade County to an oper-

*Editor's note—Pursuant to § 15 of Ord. No. 80-145, directing its inclusion in the Code, the editor has designated §§ 1—13 of said ordinance as Art. III, §§ 4-41—4-53.
