PWD has reviewed the Office of Capital Improvements (OCI) database and found 41 awarded construction contracts and are listed as follows: four (4) from the Department of Environmental Resources Management (DERM), four (4) from the Water and Sewer Department (WASD), two (2) contracts from each of the following Departments: Fire, Transit, Parks and Recreation, Seaport; and 25 from PWD. The referenced database also lists a total of 34 contractor performance evaluations with an overall performance rating of satisfactory performance (3.0) out of a possible superior performance (4.0) rating. The Department of Small Business Development's (SBD) History of Violation's report lists three (3) closed violations for this contractor.

Following PWD's standard operating procedures, after award of this contract, a pre-construction meeting will be scheduled. Throughout all PTP projects, the responsible staff person in PWD will be the PTP Coordinator, Mr. Frank Aira, P.E. Following completion of the award process, the project will be assigned to Mr. Juan Paan, P.E., Project Coordinator, for day-to-day responsibilities.

According to the Florida Department of State, Division of Corporations, Quality Paving Corp., Company Principal is: Richard A. Gonzalez and the Company's address is listed as: 7875 SW 40 Street, Suite 229, Miami, Florida 33155.

Background

In an effort to carry on the success of the PTP Neighborhood Improvements initiative, PWD continues to take advantage of various contracting mechanisms such as the subject Miscellaneous Construction Contracting (MCC) process available under OCI contract MCC 7040 Plan. Through this process, PWD forwards the RPQ, by way of facsimile transmission, to a pool of pre-qualified Community Small Business Enterprise (CSBE) contractors for the subject trade. Additionally, PWD advertises the project in the Daily Business Review and all solicitations are available on-line through the Miami-Dade County portal under the "Procurement Solicitations" link. The project award evaluation is based upon the lowest sum bid submitted by the responsive, responsible bidder for the project.

PWD staff determined that the scope of work for this project qualified for a CSBE set-aside (Levels I, II, and III) designation. Therefore, on August 10, 2010, PWD forwarded an RPQ for the PTP Roadway Improvements along SW 157 Avenue, from SW 12 Terrace to SW 10 Lane, utilizing the OCI contract MCC 7040 Plan, to a list of 32 pre-qualified firms. A total of six (6) firms purchased contract documents and four (4) firms proffered a bid.

On September 10, 2010, Quality Paving Corp. proffered the lowest responsive, responsible base bid of $359,356.25, 12% below the County's cost estimate; the second lowest bidder, Quality Construction Performance, Inc., proffered a base bid of $389,663.60, 8% over the lowest bidder; the third lowest bidder, JVA Contractor, Inc., proffered a base bid of $495,294.32, 27% over the second lowest bidder. As a result, on September 17, 2010, PWD issued a recommendation of award for RPQ No. 20100613 to Quality Paving Corp., with the stipulation that approval of this project must be obtained from the BCC and the CITT due to guidelines associated with the funding source.

The work to be accomplished for this project consists of, but is not limited to, furnishing all supervision, labor (including cleaning and preparation), required materials, equipment and tools to perform all operations necessary for constructing a two (2) lane roadway segment including milling and resurfacing, drainage, sidewalks, curb and gutters, guardrail, pavement markings and signage, and sodding.

Re: **Recommendation for Award**
Request for Price Quotation (RPQ) No. 20100613 - MCC 7040 Plan – CICC 7040-07
People's Transportation Plan (PTP) Roadway Improvements along SW 157 Avenue, from SW 12 Terrace to SW 10 Lane

Dear Mr. Gonzalez:

This letter will serve as your notification that you have been recommended for award for the above referenced RPQ based on your Price Quotation submitted on Friday, September 10, 2010. The total RPQ amount is for four hundred thirty-two thousand nine hundred seventy-nine dollars and one cent ($432,979.01). This includes a base contract amount of three hundred fifty-nine thousand three hundred fifty-six dollars and twenty-five cents ($359,356.25), a contingency amount of thirty-five thousand nine hundred thirty-five dollars and sixty-three cents ($35,935.63), and dedicated allowances totaling thirty-seven thousand six hundred eighty-seven dollars and thirteen cents ($37,687.13). The contract duration is established as **180-calendar days**. However, the recommendation of award is contingent upon the submission of the required items listed below:

1. Performance and Payment Bond as required in Contract No. MCC 7040 Plan, Section 2.0 Special Conditions, Page 16, Article 2.11, **PERFORMANCE AND PAYMENT BOND**. (The **original attached documents** must be used and three (3) sets must be provided).
2. Letter from Bonding Agent granting Miami-Dade County authorization to date the Performance Bond.
3. Copies of current insurance certificates.
4. Copies of required license(s).

The preceding documents are required as outlined within Contract MCC 7040 Plan and to be submitted within 10 business days. Failure to submit the document(s) within the specified time, or any extension granted, will result in the award being rescinded.

Subsequent to the review and approval of the aforementioned documents, you are required to obtain the required permits in the time stipulated in the RPQ. Upon obtaining the permit(s), a copy(s) must be submitted to the Project Manager prior to commencement of work. No work is to be performed without a permit unless the Project Manager issues a written directive to proceed without permit(s). After receipt of the permits the Project Manager will schedule a Pre-Construction Conference and issue a Notice to Proceed authorizing the performance of the work. This letter will also serve as a reminder that all work must be performed according to the scope of work and contract's terms and conditions, all permits and inspections and in accordance with all applicable Federal, State and local laws, codes and regulations.

Additionally, this contract, along with any future contracts awarded to your firm, have very similar completion schedules and competing deadlines. Please be advised that your firm must have the resources to ensure work proceeds without delay once the "Notice to Proceed" is issued. This will result in your firm working on multiple contracts concurrently. Lack of equipment and/or personnel will not be reason for delay.

Further, it shall be understood that since proceeds from the Charter County Transportation System Sales Surtax levied pursuant to Section 29.121 of the Code of Miami-Dade County may be used to pay for all or some part of the cost of this contract, no award of this contract shall be effective and thereby give rise to a contractual relationship with the County unless and until the following have occurred: 1) the County Commission awards the contract, and such award becomes final (either by expiration of 10 days after such award without veto by the Mayor, or by Commission override of a veto); and 2) either i) the Citizens' Independent Transportation Trust (CITT) has approved same, or ii) in response to the CITT's disapproval, the County Commission re-affirms its award by two-thirds (2/3) vote of the Commission's membership and such reaffirmation becomes final.

Should you have any questions please contact me at (305) 375-2930.
