PWD has reviewed the Office of Capital Improvements (OCI) database and found one (1) awarded construction contract with PWD and one (1) contractor performance evaluation with an overall performance rating of above satisfactory performance (3.4) out of a possible superior performance (4.0) rating. The Department of Small Business Development's (SBD) History of Violation's report lists no violations for this contractor.

Following PWD's standard operating procedures, after award of this contract, a pre-construction meeting will be scheduled.

Throughout all PTP projects, the responsible staff person in PWD will be the PTP Coordinator, Mr. Frank Aira, P.E. Following completion of the award process, the project will be assigned to Mr. Joaquin Rabassa, P.E., Project Coordinator, for day to day responsibilities.

According to the Florida Department of State, Division of Corporations, P & J Striping, Inc., Company Principal is: Pedro A. Bermudez and the Company's address is listed as: 5120 SW 159 Avenue, Miami, Florida 33185.

Background

In an effort to carry on the success of the PTP Neighborhood Improvements initiative, PWD continues to take advantage of various contracting mechanisms such as the subject Miscellaneous Construction Contracting (MCC) process available under the MCC 7040 Program. Through this process, PWD forwards the RPQ, by way of facsimile transmission, to a pool of pre-qualified Community Small Business Enterprise (CSBE) contractors for the subject trade. Additionally, PWD advertises the project in the Daily Business Review and all solicitations are available on-line through the Miami-Dade County portal under the "Procurement Solicitations" link. The project award evaluation is based upon the lowest sum bid submitted by the responsive, responsible bidder for the project.

PWD staff determined that the scope of work for this project qualified for a CSBE set-aside (Levels I, II, and III) designation. In addition, the Community Workforce Program (CWP) has been established for this project. Several work locations fall within a Designated Target Area (DTA) and are subject to a 13.1% CWP Goal.

On January 4, 2011, PWD forwarded an RPQ for the PTP Pavement Markings Installation Contract - Countywide, utilizing the OCI contract MCC 7040 Plan - CICC 7040-0/07, to a list of 188 pre-qualified firms. A total of seven (7) firms purchased contract documents and five (5) firms proffered a bid. On February 9, 2011, P & J Striping, Inc. proffered the lowest responsive, responsible base bid of $256,949.20, 15% below the County's cost estimate; the second lowest bidder, Highway Striping, Inc. proffered a base bid of $261,685.20, 2% over the lowest bidder; the third lowest bidder, Civilco, Inc. proffered a base bid of $267,911.46, 2% over the second lowest bidder. As a result, on February 15, 2011, PWD issued a recommendation of award for RPQ No. 20100742 to P & J Striping, Inc., with the stipulation that approval of this project must be obtained from the CITT and the BCC due to guidelines associated with the funding source.

The work to be accomplished for this project consists of, but is not limited to, furnishing all supervision, labor (including cleaning and preparation), required materials, equipment and tools to perform all operations necessary for pavement markings and signage improvements. This work includes marking and remarking of existing streets and bike lanes at designated sites within Miami-Dade County maintenance road system.

Dear Mr. Bermudez:

This letter will serve as your notification that you have been recommended for award for the above referenced RPQ based on your Price Quotation submitted on Wednesday, February 9, 2011. The total RPQ amount is for two hundred ninety-nine thousand thirty-three dollars and ten cents ($299,033.10). The contract duration is established as **420-calendar days**. However, the recommendation of award is contingent upon the submission of the required items listed below:

1. Performance and Payment Bond as required in Contract No. MCC 7040 Plan, Section 2.0 Special Conditions, Page 16, Article 2.11, **PERFORMANCE AND PAYMENT BOND**. (The **original attached documents** must be used and three (3) sets must be provided).

The preceding documents are required as outlined within Contract MCC 7040 Plan and to be submitted within 10 business days. Failure to submit the document(s) within the specified time, or any extension granted, will result in the award being rescinded.

Underlying Conditions Complied

Subsequent to the review and approval of the aforementioned documents, you are required to obtain the required permits in the time stipulated in the RPQ. Upon obtaining the permit(s), a copy(s) must be submitted to the Project Manager prior to commencement of work. Please be advised that your firm must have the resources to ensure work proceeds without delay once the "Notice to Proceed" is issued. Lack of equipment, personnel or additional contracts with similar completion schedules, will not be reason for delay.

Further, no award of this contract shall be effective and thereby give rise to a contractual relationship with the County unless and until a purchase order for this RPQ has been approved, issued and a Notice to Proceed has been executed.

Please contact Mr. Ultimo De Oliveira, OCI office, at (305) 375-5265 to insure that your file is complete for award consideration.

People's Transportation Plan (PTP) Pavement Markings Installation

Dear Mr. Bermudez:

Your firm is the apparent low bidder on the above referenced Project. The bid proffered, consisting of a bid amount of $256,949.20 is substantially lower than the Project's estimated value. Over the past year, the Thermoplastic Paint Industry and the local striping contractors have been affected by the worldwide shortage of raw materials for traffic marking coatings and thermoplastic projects. As such, before proceeding with an award recommendation, we need a written confirmation that your firm can complete this project for the proposed bid amount, complete the work on schedule in accordance with the RPQ and the Contract Documents, and comply with the requirements of the Bid Bond.

Please provide your confirmation by signing in the space provided below and providing an executed copy of this correspondence to the Contracts and Specifications Section, PWD, 111 N.W. 1st Street, 14th Floor, Miami, Florida 33128-1917 or fax to (305) 375-2931 no later than close of business Wednesday, February 16, 2011. Should you have any questions please contact me at (305) 375-2930.

Sincerely,

Frank Alra, P.E., CPM

I, Pedro Bermudez agree with the bid proffered on February 9, 2011.
