There are no recurring operating or maintenance costs anticipated with this contract.

The proposed improvements qualify under the allowable work categories included in the PTP Neighborhood Improvements Section. The funding index code for this project is CPEPTP400RSF.

Track Record/Monitor

H & R Paving, Inc. is currently performing work for PWD at a satisfactory level. PWD has reviewed the Office of Capital Improvements (OCI) database and found 63 awarded construction contracts as follows:

- six from the Department of Environmental Resources Management ,
- one from the Water and Sewer Department, and
- 56 from PWD.

The referenced database also lists a total of 118 contractor performance evaluations (several contracts having two evaluations on file, an interim and a project closeout) with an overall performance rating of satisfactory performance (3.0) out of a possible superior performance (4.0) rating. The Department of

Small Business Development's (SBD's) History of Violation's report lists three closed violations for this contractor.

According to the Florida Department of State, Division of Corporations, H & R Paving, Inc., Company Principals are Raul Gonzalez and Lucrecia Gonzalez and the Company's address is listed as 1955 NW 110 Avenue, Miami, Florida 33172.

Following PWD's standard operating procedures, after award of this contract, a pre-construction meeting will be scheduled. The responsible staff person for all PTP projects in PWD is PTP Coordinator, Mr. Frank Aira, P.E. Following completion of the award process, the project will be assigned to Mr. Joaquin Rabassa, P.E., Project Coordinator, for day-to-day responsibilities.

Background

As part of the PTP Neighborhood Improvements initiative, PWD continues to take advantage of various contracting mechanisms such as the Miscellaneous Construction Contracting (MCC) process available under the MCC 7360 Program. Through this process, PWD forwards the Request for Proposal Quotation (RPQ), by way of facsimile transmission, to a pool of firms that have registered with OCI for the subject trade. Additionally, PWD advertises the project in the *Daily Business Review* and all solicitations are available on-line through the Miami-Dade County portal under the "Procurement Solicitations" link. The project award evaluation is based upon the lowest bid submitted by the responsive, responsible bidder for the project.

The SBD Review Committee met and recommended a 10 percent Community Small Business Enterprise subcontractor goal based on the project's scope of work and cost estimate of $879,000. In addition, the Community Workforce Program (CWP) has been established for this project as several work locations fall within a Designated Target Area and are subject to a 13 percent CWP Goal. Subsequently, PWD forwarded RPQ 20110036 for the Roadway Resurfacing Contract, utilizing the OCI contract MCC 7360 Plan, to a list of 55 pre-registered firms. A total of five firms purchased contract documents and all five firms proffered a bid.

H & R Paving, Inc. proffered the lowest responsive, responsible base bid of $848,832.09, four percent below the County's cost estimate. The second lowest bidder, General Asphalt Co., Inc. proffered a base bid of $872,184.23, six percent over the lowest bidder; while the third lowest bidder, H & J Asphalt, Inc., proffered a base bid of $923,740.90, eight percent over the second lowest bidder. Based on the results of the solicitation, PWD issued a recommendation of award on June 24, 2011 for RPQ No. 20110036 to H & R Paving, Inc., with the stipulation that approval of this project must be obtained from the CITT and the BCC in accordance with PTP guidelines.

The work to be accomplished for this project consists of, but is not limited to, furnishing all supervision, labor, required materials, equipment and tools to perform all operations necessary for roadway resurfacing improvements. The work includes clearing and excavating of shoulder areas or build-up, grading and clean-up of adjacent shoulders and removal of roots, if required. Additional work to be performed includes milling of existing pavement, resurfacing of the full roadway, the widening and resurfacing of intersecting streets, and resurfacing of asphalt pathways (pedestrian, bicycle, etc.) adjacent or not to the edge of the pavement, if necessary.

Request for Price Quotation (RPQ) No. 20110036 (MCC 7360 Plan – CICC 7360-0/08)
People's Transportation Plan (PTP) Roadway Resurfacing

Dear Mr. Gonzalez:

This letter will serve as your notification that you have been recommended for award for the above referenced RPQ based on your Price Quotation submitted on Wednesday, June 1, 2011. The total RPQ amount is for nine hundred sixty-six thousand seven hundred sixteen dollars and forty-one cents ($966,716.41). This includes a base contract amount of eight hundred forty-eight thousand eight hundred thirty-two dollars and nine cents ($848,832.09), a contingency amount of eighty-four thousand eight hundred eighty-three dollars and twenty-one cents ($84,883.21), and dedicated allowances totaling thirty-three thousand one dollar and eleven cents ($33,001.11). The contract duration is established as **450-calendar days**. However, the recommendation of award is contingent upon the submission of the required items listed below:

1. Performance and Payment Bond as required in Contract No. MCC 7360 Plan, Section 2.0 Special Conditions, Page 16, Article 2.11, **PERFORMANCE AND PAYMENT BOND**. (The **original attached documents** must be used and three (3) sets must be provided).
2. Letter from Bonding Agent granting Miami-Dade County authorization to date the Performance Bond.
3. Copies of current insurance certificates.
4. Copies of required license(s).
5. Submit Workforce Plan to the issuing/user department within fifteen (15) days of Notice of Award for project specific and within fifteen (15) days from Notice to proceed for work orders.

The preceding documents are required as outlined within Contract MCC 7360 Plan and to be submitted within 10 business days. Failure to submit the document(s) within the specified time, or any extension granted, will result in the award being rescinded. Subsequent to the review and approval of the aforementioned documents, you are required to obtain the required permits in the time stipulated in the RPQ. Upon obtaining the permit(s), a copy(s) must be submitted to the Project Manager prior to commencement of work.

No work is to be performed without a permit unless the Project Manager issues a written directive to proceed without permit(s). This letter will also serve as a reminder that all work must be performed according to the scope of work and contract's terms and conditions, all permits and inspections and in accordance with all applicable Federal, State and local laws, codes and regulations.

Additionally, this contract, along with any future contracts awarded to your firm, have very similar completion schedules and competing deadlines. Please be advised that your firm must have the resources to ensure work proceeds without delay once the "Notice to Proceed" is issued. This will result in your firm working on multiple contracts concurrently. Lack of equipment and/or personnel will not be reason for delay.

Further, it shall be understood that since proceeds from the Charter County Transportation System Sales Surtax levied pursuant to Section 29.121 of the Code of Miami-Dade County may be used to pay for all or some part of the cost of this contract, no award of this contract shall be effective and thereby give rise to a contractual relationship with the County unless and until the Citizens' Independent Transportation Trust (CITT) and the County Commission have approved the award of the contract, and such award becomes final (either by expiration of 10 days after such award without veto by the Mayor, or by Commission override of a veto).

Please contact Mr. Ultimo De Oliveira, OCI office, at (305) 375-5265 to insure that your file is complete for award consideration.
