Memorandum

MIAMI-DADE COUNTY

Date: December 3, 2013

To: Honorable Chairwoman Rebeca Sosa
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor

Subject: Proposed Zoning Ordinance Establishing Section 33-279.2 of the Code Pertaining to Agricultural Uses Permitted in Areas Located Outside the Urban Development Boundary

---

Recommendation

It is recommended that the Board of County Commissioners (BCC) adopt the attached zoning ordinance establishing Section 33-279.2 of the Zoning Code of Miami-Dade County pertaining to agricultural uses permitted outside the Urban Development Boundary (UDB).

Scope

Areas located outside the UDB, zoned other than Agricultural District (AU), in unincorporated Miami-Dade County.

Fiscal Impact/Funding Source

The proposed ordinance creates no fiscal impact on Miami-Dade County.

Track Record/Monitor

Not applicable.

Background

The purpose of this ordinance is to establish agricultural uses on properties located outside the UDB, designated Agriculture on the Comprehensive Development Master Plan (CDMP) Land Use Plan (LUP) map and zoned other than Agricultural District (AU). Approximately 2,231 acres located outside the UDB and designated Agriculture on the LUP map are zoned Estate (EU), Residential (RU), Business (BU) or Industrial (IU). These properties cannot establish agricultural uses based on their underlying zoning district even though their LUP map designation is Agriculture. This proposed ordinance seeks to permit agricultural uses on such properties. Properties establishing any agricultural use must meet the minimum lot size and setback requirements of the underlying zoning district; however, they will be exempt from the underlying zoning districts landscaping and lot coverage requirements.
