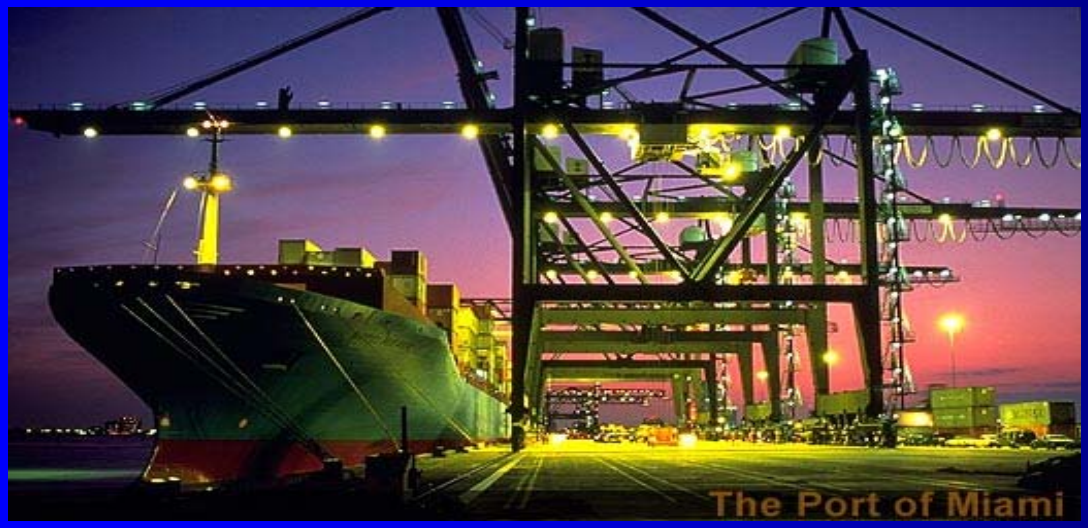
International Trade Consortium

The Jay Malina International Trade Consortium of Miami-Dade County (ITC) is the official County agency for international trade and promotes two-way merchandise trade between South Florida and the world .

International Trade Consortium

Promotes Miami-Dade as the *Gateway to the Americas* and cultivates alternative trade relationships in Asia, Europe, and Africa.



International Trade Consortium Board Organizations

All of Miami-Dade County's major private and public sector trade organizations are members of the ITC Board of Directors

Incoming Trade Missions

The ITC is the one stop center for incoming missions looking to do business in Miami-Dade County.

Outgoing Trade Missions

The ITC provides certification to trade missions that promote Florida-traded products in strategically important markets.

- Caribbean Trade Initiative
- Trader-Maker Program
- Interactive Data Base

Caribbean Trade Initiative

Provides assistance to small and medium sized businesses to expand their markets in the Caribbean Basin.

Trader-Maker Program

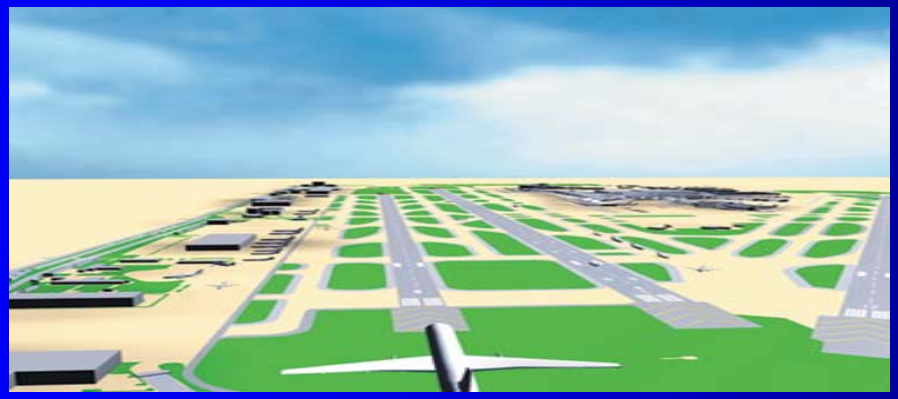
Sends delegations to North American Cities to promote Miami-Dade County as a trade platform for the Americas.

Miami International Airport

Number one airport for international freight in the United States.

1.3 Million Tons

With more than $13.2 Billion on the local economy.



The Port of Miami

The Port of Miami is the largest container port in Florida and is in the top 10 in the U.S. with one million TEU's in 2003.

With more than $8 billion impact on the local economy.

International Trade Numbers

Miami's Customs District #52 ranks 11th in the nation with $53.5 billion in total trade for 2001.

International trade generates about 300,000 jobs for the local economy.
