A Micro/SBE vendor must be certified by the Sustainability, Planning and Economic Enhancement Department for the type of goods and/or services the vendor provides in accordance with the following Commodity code(s) (445, 031-55). The following link may be accessed to verify if a firm is a Micro/SBE vendor http://www.miamidade.gov/sba/library/certify_all_by_firms.pdf

If no suitable candidates can be employed after a Referral Period of three to five days, the successful Bidder is free to fill its vacancies from other sources. Successful Bidders will be required to provide quarterly reports to the SFWIB indicating the name and number of employees hired in the previous quarter, or why referred candidates were rejected. Sanctions for non-compliance shall include, but not be limited to: (i) suspension of contract until Contractor performs obligations, if appropriate; (ii) default and/or termination; and (iii) payment of $1,500/employee, or the value of the wages that would have been earned given the noncompliance, whichever is less.
