The vendor shall provide all services as required by the National Electrical Code (NEC), NFPA standards (Adopted Edition), the Florida Fire Prevention Code, the Florida Administration Code, Chapter 69A-48, and the manufacturer's specification.

C. Maintenance and Repair Projects (Re: ITB Paragraph 2:13)

Awarded vendor(s) shall be required to submit a written estimate for each maintenance/repair project under this contract before a work order for that specific project is issued. These estimates shall be at no additional charge to the county and shall be provided within seven (7) calendar days of the request. The actual charge to the County from an awarded vendor for a specific project shall not exceed the bidder's initial estimate without the expressed prior approval from an authorized agent of the County.

D. Emergency Services (Re: ITB Paragraph 2.14)

Awarded vendor(s) shall provide 24 hours, 7 days a week emergency service to the County under the resulting contract. During regular working hours, Monday through Friday, 8:00 AM to 5:00 PM, emergency service response time (defined as the time from acknowledged notification to arrival on-site) shall be within two (2) hours after notification by the County. After regular working hours, the emergency response time, as defined above, shall be within four (4) hours after notification by the County. The invoice for this emergency service should list the name of the County representative that requested the emergency.

E. Subcontracting is allowed (Re: ITB Paragraph (2.26)

F. All quotations issued must be provided to the Small Business Development Division (SBD) of the Internal Services Department for placement on the Cone of Silence Report upon advertisement. Once an award recommendation is made, SBD must be notified in order to remove the competition from the report.
