  - Negotiate fees with large groups; and,
  - Apply late fees to delinquent or past due accounts not to exceed 25% of the original fee.
- In accordance with Resolution No. R-1073-12 and any subsequent resolutions or state statutes, the Department offers Military Discounts.

**STRATEGIC PHILOSOPHY:**

The Department's fees are structured to ensure the community has affordable access to core services, while at the same time providing flexibility to change fees based on market conditions for value-added services.

Core Services (e.g. General camps, after school programs, learn to swim, disability services programs, open spaces, trails, etc.) are programs, services and facilities essential to the mission of the Department. These are basic parks and recreation services county residents expect and may generate revenue to recover some of the costs associated with the service.

Value Added Services (e.g. Marinas, golf courses, campgrounds, facility rentals, etc.) are discretionary programs, services and facilities that provide added value to the community. These services generate revenue which offset much or all the costs associated with the service.
