212. DISCLAIMER FOR LOSS OR DAMAGE
The Seaport Department shall not be responsible for any damages to freight being loaded, unloaded, handled, stored, or otherwise present on its facilities, or for loss of any freight or for any delay to same.

The Seaport Department shall not be responsible for any loss or damage to freight on or in its facilities by reason of fire, leakage, evaporation, natural shrinkage, wastage, decay, animals, rats, mice, other rodents, moisture, the elements, discharge of water from sprinkler fire protection systems, or by or from any other cause.

The Seaport Department shall not be responsible for delay, loss or damage arising from riots, strikes, or labor disturbances of any persons, or for any loss due to pilferage or thievery, or to any other cause.

The Seaport Department shall not be responsible for any personal injuries or death resulting from any cause whatsoever on its properties or facilities.

The Seaport Department shall not be relieved from liability for occurrences which are caused solely by its own negligence.

213. PLACEMENT GOODS NOT TO BE BAILMENT
The placing of property of any nature, including cargo on Seaport property pursuant to this tariff shall not be construed under any circumstances as a bailment of that property, and Miami-Dade County, its officers, employees, and agents, shall not be considered as bailee of any property whatsoever.

214. ABANDONED CARGO
Any cargo on which charges have not been collected within 90 days shall be considered abandoned cargo. The Seaport Department reserves the right to remove any or all such property to another part of the premises or remove it and place in storage off the Port at the risk and expense of the owner. The Seaport Department may retain possession of the property until all charges have been paid. When the Port Director determines final abandonment of cargo in any instance, he shall dispose of same under established County procedures.
215. PORTMIAMI ADMINISTRATIVE FEE
A twenty percent (20%) administrative fee may be charged for (i) every special service contract/agreement Seaport staff is asked to execute and manage on behalf of a port user or (ii) any cost incurred by or on behalf of the Seaport when exercising its rights under Tariff Item 260 or other self-help rights set forth in this Tariff No. 010 or otherwise. Special services could include, but are not limited to, requested Customs and Border Patrol, security, maintenance, repair, custodial and/or stevedoring services.

216. FURNISHING CARGO STATEMENTS AND VESSEL REPORTS
All vessels, their owners and agents, and all other users of the waterways and facilities, shall furnish the Port Director copies of inbound or outbound manifest or other documents in a form satisfactory to the Port Director, or a full and correct statement, signed and certified to, on blanks furnished by the Seaport Department, showing weights or measurements of the various items discharged or loaded and the basis on which freight charges are assessed, within ten days after the arrival and/or departure of vessels, excepting Saturdays, Sundays and holidays.

It is the stevedores’ responsibility to provide the Port of Miami-Dade with complete loading and discharge guides to verify the vessel manifest(s). Companies holding an active stevedoring permit at PortMiami are required to submit their final vessel loading and discharge reports for all vessels worked at the Port no later than 2 calendar days after vessel departure in a format acceptable to the Port Director. Arrangements to submit said reports are to be coordinated with the Port’s Cargo Operations division.

217. LATE DOCUMENTATION ON SERVICE FEE
A service fee of one-half of one percent (1/2 of 1%) of total charges resulting from the calculation of charges reflected on such documents, for each 24-hour period or fractional part thereof, including Saturdays, Sundays and holidays, will be assessed for incomplete, incorrect, non-certified or late submission of documentation required for entry to the Port or for the calculation or verification of Port charges. This service fee shall be assessed in addition to all other penalties imposed by this tariff. The minimum service fee is ten dollars ($10.00).

218. PAYMENT OF BILLS
All charges assessed under this tariff are due as they accrue, and invoices issued by the Port are due and payable upon presentation.

All invoices being disputed by or on behalf of port users, customers, or either’s respective agents or employees must be disputed within 30 days of the invoice date.

Any invoice remaining unpaid the last day of the month following the month billed is delinquent, and the Port users billed will be placed on a delinquent list.
A delinquent invoice is subject to a late fee of one and one half percent (1-1/2%) simple interest for each month that said invoice remains delinquent at end of the month.

If collection procedures are pursued, an additional collection fee of up to 30% of the amount of the delinquent invoice will be added to the invoice amount. This collection fee will reimburse the Port for any amount due or paid to the Miami-Dade Finance Department for their collection effort. Payment of an invoice at PortMiami after the invoice has been sent to the Miami-Dade Finance Department for collection does not waive the collection fee.

Collection procedures include, but are not limited to, sending the delinquent invoice to the Collection Division of the Miami-Dade Finance Department at 111 NW 1st Street, 26th Floor, Miami, Florida 33128.

Payment for returned checks dishonored by the bank (NSF) shall be made pursuant to Florida Statute (F.S. 832.07). In the event where a Port user has presented more than one (1) NSF check to the Port for payment, the Port Director, at his discretion, may require the Port User to pay the Port via a cashier’s check, payable from a local bank, or an alternative method of payment approved by the Port Director or his designee.

The Port assigns the responsibility for the collection and payment of all charges assessed on a vessel to the Ship’s Agent Company authorized by the Seaport Director to file the Request for Ship’s Berth Assignment for the vessel. The Port must be paid according to the terms stipulated in this tariff item regardless of when the Ship’s Agent, vessel, its owners or agents are reimbursed.

The Port reserves the right to refuse the use of Port facilities and services to any Port user on the delinquent list and to demand payment of charges in advance before further services will be performed or facilities used.

Sales Tax
Rates and charges contained in this tariff are exclusive of any sales tax. Applicable sales taxes shall be paid to the Port at the time and by the entity responsible for payment of the tariff charges for which the tax is imposed.

Applicable sales taxes are further explained in Florida Statute Title XIV, Chapter 212 “Tax on Sale, Use, and Other Transactions”. Current sales tax rate is 6.8% on Commercial Real Property Rental, and 7% on everything else.

Cruise and cargo shipping lines may elect to pay all invoices directly to the Port. Shipping lines choosing direct billing may contact the Port’s permit section to set up the account, which still requires a permit, insurance coverage and payment guarantee, as per Items 714 and 222 of the Tariff.
On-Line Payments

Invoices can be paid on-line using the Port’s SeaPal online service via e-checks. The Port also offers online payments for account replenishment for ground transportation using e-checks. There are no processing charges for any e-check transactions.

Parking and Ground Transportation invoices can also be paid online using a credit card subject to a 2.5% fee payable at the time of payment. This applies only to Parking and Ground Transportation invoices, all other invoices and fees can only be paid online using SeaPal via e-checks. As mentioned above, there are no processing charges for any honored and successful e-check transactions.

All ground transportation companies are required to pay for trip fees using the online services, using either the account replenishment method or making a payment on a one-time basis. For companies that infrequently visit the Port, less than 5 times per year, prior arrangement for a trip and payment must be made and communicated through the permit section at the Port before the company’s vehicle(s) visit the Port.

Shipping companies, cruise and/or cargo, or their agents, are required to pay all invoices via wire transfer or using the Port’s SeaPal online payment service.

All e-check transactions which are dishonored by the servicing bank due to nonsufficient funds (NFS), will also be treated pursuant to Florida Statute (F.S. 832.07) and as previously noted in this section.

219. Temporary Emergency Changes to Tariff

The Seaport Director shall have the authority to implement emergency temporary changes to this Tariff to remain competitive with other ports. These temporary changes must be consistent with the provisions of Item 200, be documented and submitted to the Office of the Miami-Dade County Mayor, with copies to the County Finance and Budget Directors, and require a prior written finding by the Seaport Director that such changes will not result in the Seaport producing less Revenues (as defined in the Seaport’s Bond Ordinance (Ord. No. 88-66) as amended) unless, in the opinion of the Seaport Director, overall Port rates, fees, rentals and other charges, as so changed, revised, or reduced, will produce sufficient Revenues to comply with the coverage and other requirements set forth in Section 501(c) of Ordinance 88-66 as amended.

If such temporary changes are to remain in place for a period of over twelve months or more than one fiscal year, they shall be submitted to the Board of County Commissioners for approval as part of the Seaport’s budget for the following fiscal year.

220. Access to Records

All vessels, their owners and agents, and all other users of the waterways and facilities, shall be required to permit access to manifests of cargo, passengers, railroad documents, and all other documents for the purpose of audit for ascertaining the correctness of reports filed, or for securing the necessary data to permit correct estimate of charges.
221. INDEMNIFICATION
All users of Port facilities shall indemnify and hold harmless the County and its officers, employees, agents and instrumentalities from any and all liability, fines, losses or damages, including attorneys’ fees and costs of defense, which the County or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, notices of violation, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the users’ use of Port facilities. All users of Port facilities shall pay all claims, fines and losses in connection therewith and shall investigate and defend all claims, suits or actions of any kind or nature in the name of the County, where applicable, including appellate proceedings, and shall pay costs, fines, judgments and attorneys’ fees which may issue thereon, provided the County shall have given reasonable written notice of such matter with full right to defend and shall cooperate in such defense.

222. PAYMENT GUARANTEE
Users of the Port facilities are required to furnish the County with a Payment Guarantee, insuring the County against loss of any funds and indemnifying the County in full for the payment of bills that accrue as a result of dockage, notices of violation, cargo and passenger wharfage, water sales, storage, rentals, leases, warehousing, wharf demurrage, track rentals, electric current and any other charges that may accrue for services rendered by the County. The Port Director is authorized to determine and fix the amount of the required Payment Guarantee. The Port Director is also authorized to designate the persons who shall be required to post the bond required by this section.

Standard Lease (boilerplate) Agreement Lessees shall furnish to the Port a payment guarantee prior to occupancy of the leased space equivalent to the duration of the cancellation notification: thirty (30) days for a month to month lease term and ninety (90) days for 1 to 5-year lease terms. Lessee may elect to post said guarantee as an Indemnity Bond (Bond), an Irrevocable Letter of Credit (ILC) or via company check, provided the Bond or ILC (as applicable) is in a form acceptable to the County.

223. EMERGENCY TARIFF WAIVER FOR HURRICANES AND NATURAL DISASTERS
The Seaport Director or his designee, at his sole discretion, shall have the right to reduce or waive applicable Port fees for donated humanitarian relief efforts in case of a declared emergency by the President of the United States, the Governor of the State of Florida, or another state, or for a natural disaster suffered by a country served by an ocean carrier and/or cruise line customer of PortMiami.

Such waivers and/or reductions may include dockage, wharfage and crane rates per participating ocean carrier or cruise line. In lieu of Tariff rates, the Director shall have the right to reduce or waive rates set forth in the various County-approved cargo terminal agreements and/or approved agreements with cruise lines.

Such waivers and/or reductions shall be limited to those ocean carriers and/or cruise lines who are also waiving their transportation fees for donated hurricane relief supplies relating to food, lodging, medicine, construction materials and equipment, and/or resources provided by governmental or charitable
agencies. In order to qualify for such waiver or reduction, the participating ocean carrier or cruise line must verify and provide documentation to the Port, including a manifest or certified statement identifying those items that may qualify for such waiver or reduction.

224. INSURANCE

All permitted users of the Port facilities are required to carry both Comprehensive General Liability Insurance and Auto Liability Insurance. Certificates of Liability Insurance must show Miami-Dade County as Certificate Holder and indicate that insurance coverage meets the following minimum requirements: (1) Commercial General Liability Insurance on a comprehensive basis in an amount not less than $300,000 combined single limit per occurrence for bodily injury and property damage; and (2) Automobile Liability Insurance in an amount not less than $300,000 combined single limit per occurrence for bodily injury and property damage. Miami-Dade County must be shown as an additional insured with respect to both policies. Additional coverage may be required pursuant to other sections of this Tariff. Cartage companies are required to carry a minimum of $1,000,000 liability insurance.

Companies unable to provide valid proof of insurance (other than TNCs/TNEs) will be immediately required to cease operations and will have their permits automatically suspended until valid proof of insurance is received and validated by the Permits Section. Companies falsifying insurance documentation will be automatically subject to a $1,000 fine and the immediate suspension of the permit for a duration determined by the Port Director or designee.

Insurance Requirements for Cartage Companies
All cartage companies doing business at PortMiami must comply with the insurance requirements set forth in Section 224 of this Tariff and must provide the Permits Section with a Certificate of Liability Insurance listing all insured drivers and vehicles. Any and all changes to the company’s driver/fleet schedule must be reported immediately. It is the company’s responsibility to maintain their company’s driver and insurance records up to date. Failure to do so may result in the suspension of the company’s permit for a period determined by the Port Director or designee.

Information submitted by the insurance company and/or the managing general agent concerning insured drivers/vehicles will be compared to the Port’s identification system as to the number of issued Port ID cards. Any discrepancies must be remedied within two (2) business days after notice from the Port, or in the event a permit holder has a discrepancy more than twice in a fiscal year, a fine of $1,000 will be assessed for the first violation. The second violation will result in the suspension of the permit.

All drivers renewing their Port identification cards must show proof of insurance and/or approval of insurance to the Port’s Identification & Credentialing Section. A cartage company’s failure to report a change in an employee’s work status (termination) within 7 days after the change may result in suspension of the Port business permit. Reactivation and addition of any cartage company’s drivers will be granted only after verifying that the cartage company is in compliance with the insurance requirements.

A service fee will be assessed for the collection of a dishonored check, draft, or other order for the payment of money to the Port of Miami-Dade, including for collection of unsuccessful or dishonored e-checks transactions, in accordance with the rate structure established by Miami-Dade County, in Administrative Order 4-86. This service fee shall be in addition to all other penalties imposed by this tariff.

Any authorized stevedore (crane user) wishing to use container gantry crane(s), including all attached and ancillary parts and equipment [hereinafter referred to as "crane(s)"] shall make application for crane(s) rental use 12 hours prior to start-up time. Such applications shall specify the date and time of proposed use, the estimated length of use and number of cranes needed. The crane user shall return the crane(s) without delay, upon completion of his operations.

The crane user shall provide all necessary operators and perform all stevedoring required in connection with container crane(s) use.

When the crane(s) is/are ordered but not used, and orders are not modified or canceled within 6 hours, standby time for maintenance personnel will be assessed at the current labor rates, subject to a minimum charge of two hours straight time or four hours overtime.

Any incurred cost is the responsibility of the user; such as balance of guarantees, meal hours, or any other costs not covered under rental fee or start-up and secure.

It shall be the ship’s responsibility to stow all of its cranes in an offshore position prior to the time that the container gantry cranes are put into service.

In the event that it is necessary to use the ship’s cranes for any reason while the container gantry cranes are still in use at any time prior to the container gantry cranes’ complete removal from the vessel, the container gantry cranes shall have the absolute right of way and all movements of the ship’s cranes will be subservient to the container gantry cranes’ movements and operations. Accordingly, it will be the responsibility and obligation of the ship and its stevedores to keep a proper lookout and to ensure that the movements or operation of the ship’s cranes do not interfere with the operations or movements of the container gantry crane.

The ship will not begin to move its cranes into sea position until after the container gantry crane has fully completed its operations and movements and is fully clear from the ship and its cranes.

It shall be the stevedore’s responsibility to assure that the ship is aware of and complies with its responsibilities to stow and operate its cranes in conformance with these regulations.

All permitted prearranged ground transportation companies, as a condition of their permit, other than TNCs/TNEs, must be servicing cruise or cargo operations or tenant and staff needs. All other companies, other than TNCs/TNEs, are restricted from pick-up/drop-off staging for non-port related activities.

Prearranged ground transportation companies, other than TNC/TNEs, are required to register and install transponders in all vehicles working at PortMiami. Any and all changes made to such companies’ respective fleets shall be reported immediately to the Permits Section. Failure of any such company to report fleet changes or properly install transponders in any vehicle operating at the Port shall result in the suspension and/or cancellation of the permit. Tampering with or in any way damaging the transponder will result in the automatic cancellation of such company’s permit for a period determined by the Port Director or designee. The initial processing and annual permit fee shall be required for reinstatement.

The Port reserves the right, at any time, to inspect and/or validate the issued transponder, as applicable, to assure proper usage and compliance with all rules, regulations, and Port operating directives governing pre-arranged ground transportation companies doing business at the Port as outlined in this Tariff.

Section Eleven: General Information

800. MIAMI HARBOR
The Miami Harbor embraces the artificial basins, slips and channels that have been dredged along the bay front of Miami and in the bay and through the waters of Biscayne Bay to the ocean, and is located generally at Latitude 25-46' No. Longitude 80-10'W.

802. MAIN CHANNEL
The entrance to the main channel is directly east of the City of Miami, approximately 4.5 miles. The sea buoy marking the channel entrance through the reef is about 2 miles offshore. The entrance is an artificial cut 800 feet wide flair, known as Government Cut, dredged across the southern end of Miami Beach. It is protected by jetties and is well marked. A channel has been developed to a control depth of 52 feet deep, and 500 feet wide on the sea end to the jetties. The main channel along the northside of Lummus and Dodge Islands is 500 feet wide with a 36-foot control depth which continues westward across Biscayne Bay to the main turning basin.

806. FISHERMAN’S CHANNEL
From Government Cut, the Fisherman's Channel has been dredged with a control depth of 50 feet for the easternmost 6,120 feet and 540 feet wide and a control depth of 34 feet for 5,283 feet and 500 feet wide to the west. Fisherman's Channel provides a direct connection to the wharves on the south side of Dodge and Lummus Islands and the mouth of the Miami River.

807. LUMMUS TURNING BASIN
Located at the wide point of the Fisherman's Channel, east of the channel slip, the Lummus Turning Basin is a 1,500-foot wide turning basin at a control depth of 50 feet.

808. MAIN TURNING BASIN
The Main Turning Basin, located in the western end of the Main Channel, is 1,700 feet north and south and 1,650 feet east and west, with a control depth of 36 feet.

809. WESTERN TURNING BASIN
Located at the western end of Fisherman’s channel, the Western Turning Basin has a width of 900 ft. with a control depth of 30 ft.

810. FISHER ISLAND TURNING BASIN
The Fisher Island Turning Basin is a truncated turning basin between the main channel and the north side of Fisher Island and is dredged 50 feet to provide a turning basin at the junction of the Main and Fisherman's Channels.

816. ANCHORAGE
The prescribed anchorage area for vessels anchoring outside the harbor is located eastward of a line about 1.5 nautical miles offshore and northward of a line about 0.2 nautical miles north of the sea buoy at the
entrance to the ship channel. The entire anchorage area lies north of the entrance channel to Miami. The northern and southern extremities of this area are marked by nun buoys. Vessels desiring to anchor off the entrance to the Harbor of Miami are required to do so within this area, to avoid possible damage to cables laid on the ocean bottom in the vicinity. Refer to anchorage area 110.188 on National Oceanic and Atmospheric Administration Survey Chart # 11466 & # 11468.

818. TIDES AND TIDAL CURRENTS
The normal mean tidal range at the entrance to Miami Harbor is 2.5 feet, and in the bay, it is about 2.0 feet. The extreme tidal range is about 4.0 feet at the entrance. Easterly winds sometimes raise the water level 1.5 feet at the entrance and from 1.0 to 0.5 feet in the bay.

The tidal currents at the entrance to Biscayne Bay may reach a velocity of 1-1/2 to 3 knots through the main channel.
