MIAMI-DADE COUNTY

Agenda Item No. 7(I)

Ordinance No. 09-100

Subject: Ordinance Granting Enterprise Zone Ad Valorem Tax Exemption Under Ordinance No. 96-74 for Victor Hotel - Zom Ocean Drive, Ltd.

RECOMMENDATION

It is recommended that the Board of County Commissioners (Board) approve the attached ordinance granting Enterprise Zone Ad Valorem Tax Exemption to Victor Hotel - Zom Ocean Drive, Ltd., hereinafter referred to as "Business" pursuant to the provisions of Section 196.1995, Florida Statutes, and Miami-Dade County Ordinance No. 96-74.

The Enterprise Zone Ad Valorem Tax Exemption to be authorized under this Ordinance is for improvements to tangible personal property only, and not for improvements to real property. The Board has already granted the Business a Historic Preservation Exemption for improvements to real property through Resolution R-831-09 on June 30, 2009.

Scope

This project is located in Commission District 5.

Fiscal Impact Analysis/Funding Source

If the exemption is granted, the impact on the County's general fund budget would be to reduce the ad valorem revenues by a total approximately $141,675. The first three years of tax abatement (FY2006-07, FY2007-08, and FY2008-09) for tangible personal property are credited in the upcoming tax year (FY2009-10) based on the actual countywide millage for those years. With respect to the last years' worth of tax abatement, it will be based on the millage approved in those future years.

The public benefits of this project are the investment and job creation in Miami-Dade County's distressed areas. The additional payroll and economic activity generates other taxable activity.

Track Record/Monitor

OCED monitors on an annual basis the employment requirement of maintaining five new full-time jobs and, if required, of maintaining 20 percent employment from the Enterprise Zone. OCED has monitored and verified the employment for calendar years 2005, 2006, 2007, and 2008 and will annually monitor for the rest of the five-year term. Businesses found not to be in compliance with maintaining five new full-time employees or maintaining the 20 percent employment from the Enterprise Zone will lose their tax exemption or have it reduced.

Background

On April 19, 1988, the Board enacted Ordinance No. 88-27, which authorized Enterprise Zone Ad Valorem Tax Exemptions for new or expanding businesses, which invest in the Enterprise Zone. More

specifically, the purpose of the tax exemption program is to reduce the applicant's operating costs thereby creating an incentive to create jobs and invest in the most distressed areas of Miami-Dade County. On May 21, 1996, the Enterprise Zone Ad Valorem Tax Exemption Program was amended through Ordinance No. 96-74. Even though the County's Ad Valorem Tax Exemption Program expired in 2005, businesses that applied or completed the improvements prior to the expiration are eligible to receive their tax exemptions. This Business completed the improvements prior to June 30, 2005 and therefore it is deemed eligible to be considered under the program.

Florida State's Enterprise Zone Program, which has no relationship to the federal Empowerment Zone, makes incentives available which include job(s) tax credit, property tax credit, community contribution tax credit, sales tax exemption on building materials and sales tax exemption on business equipment. To be eligible for this exemption, a new or expanded business must create a minimum of five new full-time jobs. If, in a given year of the five-year exemption, 20 percent or more of a business' permanent full-time employees are residents of the Enterprise Zone, the exemption for that year will be 100 percent of the assessed value of all improvements to real property and/or 100 percent of the assessed value of all improvements to tangible personal property. In case the company cannot comply with the 20 percent residency requirement of their employees living in the Enterprise Zone, then the exemption for that year will be 50 percent of the assessed value of the improvements to real estate and/or to tangible personal property. The Business created 115 new jobs, which currently include a total of 26 jobs (or 23 percent) for residents of the Enterprise Zone.

The Business is asking for an exemption on improvements to tangible personal property totaling $5.2 million which were made prior to the creation of the 115 new jobs. Detailed information regarding the Business is provided below.

ORDINANCE GRANTING ENTERPRISE ZONE AD VALOREM TAX EXEMPTION TO VICTOR HOTEL – ZOM OCEAN DRIVE, LTD., A NEW BUSINESS LOCATED IN THE ENTERPRISE ZONE; PROVIDING SCOPE AND TERMS OF EXEMPTION; PROVIDING SEVERABILITY, EFFECTIVE DATE AND EXPIRATION DATE

WHEREAS, this Board recognizes the need to stimulate economic development in certain areas of Dade County which are economically depressed, where housing and structural conditions are blighted and deteriorated, and where unemployment and poverty are prevalent, said areas being designated "Enterprise Zones" as defined in Section 196.012 and Section 290.004, Florida Statutes; and

WHEREAS, pursuant to Article VII, Section 3 of the Florida Constitution, the State has enacted Section 196.1995, Florida Statutes, providing a local government option for ad valorem tax exemption to new businesses and expansions of existing businesses in each such Enterprise Zone; and

WHEREAS, this Board authorized Enterprise Zone Ad Valorem Tax Exemptions to new businesses and for the expansion of existing businesses located in the Enterprise Zone through Ordinance No. 96-74, enacted on May 21, 1996; and

WHEREAS, this Board desires to encourage economic growth and development and alleviate the conditions of unemployment, economic disinvestments and poverty by creating new construction, new jobs, and an enhanced business climate particularly for small or minority owned businesses; and

WHEREAS, Victor Hotel – Zom Ocean Drive, Ltd., hereinafter referred to as "Business", located at 1144 Ocean Drive, Miami, FL 33139, within Enterprise Zone No. 1301 has made application for ad valorem tax exemptions; and

WHEREAS, the Business has committed to this Board that it will maintain a work force of at least five (5) employees of whom at least twenty percent (20%) must be residents of the Enterprise Zone; and

WHEREAS, this Board finds that the Business has tax bills which are current; and

WHEREAS, this Board finds that ad valorem tax exemption is appropriate and consistent with the public purpose to eliminate the serious and distressing economic conditions of the designated "Enterprise Zone" in Miami-Dade County,

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA:

Section 1. Legislative Intent and Findings of Public Purpose. The above recitations of legislative intent and findings of public purpose are fully incorporated herein as part of this ordinance.

Section 2. Eligibility Requirements. This Board finds the Business is a "new business" as defined in Section 196.012(15) (b) Florida Statutes (1991) and as defined in Miami-Dade County Code Section 29-82(b), and after careful consideration of certain factors including those enumerated in Section 29-84(a) and (b) of the Miami-Dade County Code finds and determines the Business is eligible for ad valorem tax exemption.

Section 3. Granting the Exemption. This Board hereby grants ad valorem tax exemptions pursuant to Ordinance No. 96-74, enacted on May 21, 1996, to Victor Hotel – Zom Ocean Drive, Ltd., located at 1144 Ocean Drive, Miami, FL 33139, a "new business". The exemption shall be up to 100% of the eligible assessed value of the improvements to tangible personal property, if the company complies with the 20% residency requirement of their employees living in the Enterprise Zone. If the company cannot comply with the 20% residency requirement of their employees living in the Enterprise Zone, then the exemption, for that year, will be 50% of the eligible assessed value of the improvements to the eligible tangible personal property acquired and owned by the Business and located at 1144 Ocean Drive, Miami, FL 33139.

Section 4. Revenue Implications. The total amount of revenue available to the County from ad valorem tax sources for the 2006 fiscal year is $1.022 million. The total amount of revenue foregone by the County for the 2006 fiscal year by virtue of Enterprise Zone Ad Valorem Tax Exemptions is $618,945. Section 5. Duration and Expiration of the Tax Exemption. The duration of the Enterprise Zone Ad Valorem Tax Exemption granted to the Business is five (5) years. The tax exemption granted in this ordinance shall expire after the 2010 tax assessment rolls of Miami-Dade County. Notwithstanding the foregoing, the Business must apply for a renewal of the exemption each year for which the exemption is sought. Failure to file a renewal application with the Office of Community and Economic Development by March 1 of each year shall constitute a waiver of the exemption for the year.

Section 6. Scope of Exemptions. The property tax exemption authorized through this ordinance shall be up to 100% of the eligible assessed value of the improvements the eligible tangible personal property, if the company complies with the 20% residency requirement of their employees living in the Enterprise Zone. If the company cannot comply with the 20% residency requirement of their employees living in the Enterprise Zone, then the exemption, for that year, will be 50% of the eligible assessed value of the improvements to the eligible tangible personal property made by or for the use of the Business. The exemption shall apply only to Miami-Dade County countywide operating millage and, when applicable, the unincorporated municipal service area millage and shall not apply to taxes levied for payment of bonds or to taxes authorized by vote of the electors pursuant to Section 9(b) of Section 12, Article VII of the State Constitution. The exemption shall not be prolonged or extended by granting exemption from additional taxes or by virtue of any reorganization or sale of the Business receiving the exemption.

Section 7. Penalties. Non-compliance during the life of the tax exemptions unless expressly waived by the Board, with any of the eligibility requirements of Section 29-87 of the Miami-Dade County Code will nullify the tax exemption benefits granted through this ordinance and the Business shall be required to make payments of taxes exempted in addition to interest accrued from the date of non-compliance.

Section 8. Fee. The Business named in the ordinance will pay a $50 application fee and a fee of 10% of the first year tax exemption to cover administrative expenses of Miami-Dade County in processing the application for tax exemption. All fees are non-refundable even if Miami-Dade County rescinds the tax exemptions due to non-compliance with eligibility requirements. Fees are payable to Miami-Dade County Board of County Commissioners.

Section 9. Renewal Provisions. Enterprise Zone Ad Valorem Tax Exemptions granted through this ordinance can be renewed each year for the duration of the term of the exemption as indicated in Section 5 of this ordinance; however, the Business must re-apply to maintain the exemptions on or before March 1 of each year for which the renewal is sought. Failure to file a renewal by March 1 of every year with the Office of Community and Economic Development (OCED) shall constitute a waiver of the exemption for that year.

Section 11. Effective Date. This ordinance shall become effective ten (10) days after the date of enactment unless vetoed by the Mayor, and if vetoed, shall become effective only upon an override by this Board.
