YOUR TRAFFIC RESOURCE DURING SEVERE WEATHER

When hurricanes, severe weather and other natural disasters threaten Florida, check the Florida Department of Transportation's (FDOT) 511 Traveler Information System for real-time updates on traffic conditions, including road and bridge closures, evacuation information, congestion, crashes and more.

How to Get 511 Traffic Information

- Call 511 toll free for updates in English and Spanish from any landline or mobile phone
- Visit FL511.com, with interactive roadway maps showing traffic congestion and crashes, travel times and traffic camera views
- Download the Florida 511 mobile app for free from Google Play or iTunes App Store
- Follow one of the 12 FL511 statewide, regional or roadway-specific feeds on Twitter

Be Prepared & Know Before You Go!

- Check 511 before traveling, have a passenger check 511 or pull over to avoid distracted driving
- Call 511 before you enter a new roadway to become aware of the current road condition
- Drive slowly and turn on your lights in low visibility conditions including rain
- Follow instructions from local officials and law enforcement during evacuations
- Always wear a seat belt
- Go to FL511.com and click on the "Emergency Info" page to learn more
