# Directory of Participating Dental HMO Dentists

Florida

### **Directory of Participating Dentists**

This directory contains the names and locations of the dentists who provide care to MetLife members. Each one has been pre-screened and each office carefully evaluated to ensure the dentist meets credentialing standards prior to their being accepted into our program. Additionally, these offices are re-credentialed every three years. You can be assured that any office you choose will provide care and service that meets your needs.

### **How to find a dentist in your area**

Participating dentists are listed alphabetically by the city where they are located. Once you have found one near your home or office, include the Facility Number in the indicated space on your enrollment form. This is the dentist who will provide your basic dental care. Each enrolled person in your family may choose a different dentist.

Specialty care dentists (periodontists, endodontists, oral surgeons, orthodontists, and pedodontists) are available through a referral process outlined in your Evidence of Coverage.

If your current dentist does not appear in this directory, we would be happy to contact the practice with information about joining our network. You can nominate a dentist by calling Customer Service at 1-877-638-2055. Or, after you have enrolled, you can submit a nomination online. Just log on to [www.metlife.com/mybenefits](http://www.metlife.com/mybenefits) and click the "Find a Dentist" link. Once submitted, we will contact that dentist and provide them with an application to join the dental network.

Some dental offices are unable to accept new members at this time; they are noted in the Directory with an asterisk (\*). If you are already a patient at a facility that is listed as closed, you may not have to change dentists. However, it is important that you contact Customer Service to ensure that you can continue using your current facility under the plan.

### **For the most current information...**

This directory is updated frequently—you will find the most current listing on [www.metlife.com/dental](http://www.metlife.com/dental). Just click on the "Find a Dentist" link, select "DHMO" for the Plan Type, and complete all of the required information (please refer to the Schedule of Benefits for the plan name).

### **Once you have enrolled, you may change dentists for you and your enrolled dependents by:**

1. Visiting the MyBenefits website at [www.metlife.com/mybenefits](http://www.metlife.com/mybenefits) and clicking on the "My Dentists" page.
2. Contacting Customer Service at 1-877-638-2055.

Your transfer will be effective the first of the following month. Please note: any requests made after the 25th of the month will occur effective the first of the following month (e.g., a facility request changed on March 28th will go into effect on May 1st). Please refer to the Evidence of Coverage for your plan for more information.
