~~13.~~ 12. INTEREST CHARGES ON UNPAID AMOUNTS DUE TO THE BUILDING DEPARTMENT

MIAMI-DADE COUNTY Building Department
Proposed FY 2008-09
Fee Schedule Ordinance

New Fee Inc
25%

The Building Department is authorized to impose an interest charge on any and all unpaid amounts which are due the Department. This includes, without limitation, items such as past due boiler fees, 40 year recertification fees, Civil Violation fines and demolition costs. The Building Department shall also have the authority to charge interest as part of any settlement agreement or installment payment plan to recover fees, fines or costs as well as outstanding liens.

The interest charged shall be assessed as provided for in applicable County Code provisions or administrative orders. In all other cases, interests shall be charged from the date the amount was due and payable to the Department computed at the rate of ten percent (10%) per annum. The Department Director or designee shall have the right to waive all or any portion of the interest charge in order to ensure public safety concerns are met.

~~14-~~ 13. ACTUAL COST FOR PROJECTS REQUIRING SERVICES NOT CONTEMPLATED IN CURRENT FEE STRUCTURE

The Director, or designee, has the authority to invoice for reimbursement of actual costs on project(s) requiring services not contemplated in the current fee structure.

The invoice will consist of actual labor cost, including any and all fringe benefit costs the Department is legally obligated to pay. Additionally, the invoice will include any other indirect cost associated with the actual labor cost, as determined by the Building Department's Finance Section on a yearly basis.

All of this (these) project(s) will have mutually agreed on contract(s), which will be maintained in the Accounting Finance Section. The Director will also have the ability to request a deposit amount that is mutually acceptable by the department and the company or individual that is legally responsible for the project(s). The deposit amount shall be used to offset the final invoice project cost; if any amount is remaining, it shall be returned to the party that executed the agreement with the department. The life span of the project(s) shall be included in the agreement.

~~15-~~ 14. SUBSIDIARY PERMITS (Applicable to all trades)

~~The fees charged for Subsidiary Permits will be automatically calculated as one half of the regular permit fee. Once the customer supplies us with the permit number it will link the permit to the correct code and fee.~~

ELECTRONIC CONCURRENT PLAN PROCESSING

In order to create a more efficient and effective permitting process, the Building Department has established procedures to process plans electronically via a concurrent automated workflow. The department requests that applicants submit plans in an electronic format (PDF) on a CD-Rom. If the applicant chooses to submit paper plans, the Director, or his designee has the authority to invoice for reimbursement of the conversion of construction documents submitted to an electronic format saved on a CD-Rom.

~~16-~~ 15. ENFORCEMENT (Applicable to all trades)

Florida Statute 553.80 Enforcement

"Section 2(b) – With respect to evaluation of design professionals' documents, if a local government finds it necessary, in order to enforce compliance with the Florida Building Code and issue a permit, to reject design documents required by the code three or more times for failure to correct a code violation specifically and continuously noted in each rejection, including but not limited to, egress, fire protection, structural stability, energy, accessibility, lighting, ventilation, electrical, mechanical, plumbing and gas systems, or other requirements identified by rule of the Florida Building Commission adopted pursuant to Chapter 120, the local government shall impose, each time after the third such review the plans are rejected for that code violation, a fee of four times the amount of the proportion of the permit fee attributed to plans review".

H. <u>H. ANNUAL FACILITY PERMIT FEES</u>			
	In accordance with provisions of the Florida Building Code and Chapter 10 of the Code of Miami-Dade County, each firm or organization in Miami-Dade County which performs its own maintenance work with certified maintenance personnel in Factory-Industrial (Group F) Facilities, as well as helpers there under, may pay to Miami-Dade County an annual Master and Subsidiary Facility Permit (Premise Permit) – fee in lieu of other fees for maintenance work. Such fee shall be paid to the Building Department and such permit shall be renewed annually at a fee which is calculated in accordance with the provisions of this sub-section.		
K001	1. CALCULATION OF THE INITIAL MASTER FACILITY PERMIT FEE		
	Each firm or organization which obtains an annual master facility permit shall include in their application for such permit the total number of maintenance personnel, including helpers and trainees thereunder, assigned to building, electrical, plumbing or mechanical work. The Master Facility Permit (Premise Permit) Fee shall be computed by multiplying the total number of such employees times the fee.		
	Master Facility Permit Fee (Multiply number of employees by fee)	57.25	<u>71.56</u>
	Minimum Master Facility Permit Fee	1,081.94	<u>1,352.43</u>
K002	2. CALCULATION OF THE INITIAL SUBSIDIARY FACILITY PERMIT FEE		
	Each firm or organization which utilizes decentralized locations in addition to the main location described under Point 1 above, may additionally apply for a Subsidiary Facility Permit (Premise Permit) for each such decentralized location. Such application for a Subsidiary Facility Permit (Premise Permit) shall include the same information required in Point 1 above.		
	Subsidiary Facility Permit Fee (multiply number of employees by fee)	57.25	<u>71.56</u>
	Minimum Subsidiary Facility Permit Fee	303.40	<u>379.25</u>
K003	3. RENEWAL OF FACILITY PERMIT		
	Prior to each Facility Permit expiration, the holder will be sent a renewal notice to continue the Premise Permit for the next renewal period. The calculation of the renewal Premise Permit fee shall be the same as the method used to calculate the original Facility Permit fee. No allowances shall be made for late renewal fees or part year renewal fees.		
A038	<u>L. 40 YEAR RECERTIFICATION FEES</u>		
	For every application for 40 year recertification under Chapter 8 of the Miami-Dade County Code, there shall be paid to the Building Department, a fee for processing each application	300.00	<u>375.00</u>
	For every application for subsequent recertification at 10-year intervals thereafter, there shall be paid to the Building Department a fee for processing each application	300.00	<u>375.00</u>
