EXECUTIVE SUMMARY

This document presents to the Board of County Commissioners the FY 2012-13 Adopted Budget and Multi-Year Capital Plan. This budget is a continuation of the FY 2011-12 Adopted Budget. The FY 2012-13 Adopted Budget maintains the same levels of service and avoids further employee layoffs utilizing reduced property tax revenues, allowing for a lower tax rate. The organization has been streamlined to provide more efficient and effective government services. The number of County departments under the Mayor's purview was reduced from 42 in FY 2010-11 to the current 25. This consolidation allowed for the reduction of 578 positions saving the entire County budget over \$80 million over two fiscal years and more than \$43 million just in FY 2012-13. In the tax-supported budget alone, more than \$25 million was saved over two years. These savings, combined with improvements in the value of the property tax roll and performance of other revenues, has allowed for the millage rates to be reduced. Services are continued and priority efforts to support economic development and the creation and retention of jobs in our region are funded. As the following chart shows, the price of government is the lowest it has been in the last 20 years.

Price of Government General Fund Budget Per Capita Adjusted for Inflation

This document also illustrates the relationship between the annual budget, Strategic Plan, and departmental Business Plans. Perhaps most importantly, the FY 2012-13 Adopted Budget sets forth specific objectives for the upcoming fiscal year and anticipated one-year results, as well as a five-year financial forecast. This document consists of three volumes. This first volume includes summary information, a facsimile of the budget ordinance, a five-year financial forecast, and information about Miami-Dade County, our governmental structure, and the budget development process. Volume 2 contains detailed narratives about the operating budget for each department

including associated performance information. Volume 3 includes the schedules for the funded and unfunded capital projects.

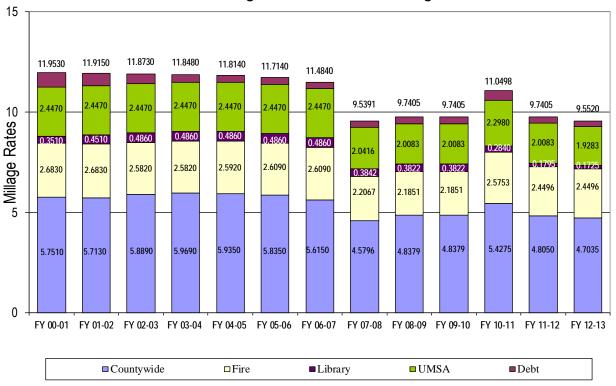

In developing the FY 2012-13 Adopted Budget, essential services such as childcare, services for the elderly, and public safety continue to be prioritized, as these functions are important for a thriving community. We made sure that our ability to provide important services, such as water, sewer, waste collection and road maintenance is maintained. A focus on sustainable initiatives was woven through all of our services and activities. We also endeavored to ensure resources are available to address critical capital needs, particularly for our water and sewer system.

The FY 2012-13 Adopted Budget is balanced at \$5.946 billion, \$4.312 billion of which comprises the operating budget and \$1.634 billion of which comprises funding for capital projects. The operating budget is 3.76 percent lower than the FY 2011-12 Adopted Budget of \$4.473 billion. The tax supported budgets, the Countywide General Fund, Unincorporated Municipal Services Area (UMSA) General Fund, Library System, and Fire Rescue District budgets, total \$1.793 billion, or 41.6 percent of the total operating budget. Unfunded operating requests from the departments total \$71 million. Unmet needs have been reassessed as a result of the comprehensive reorganization of County departments and a focus on traditional local government services.

The FY 2012-13 Adopted Capital Budget is \$1.634 billion, a significant reduction from the FY 2011-12 Adopted Capital Budget of \$1.703 billion. The reduction is due in large part to the completion of major projects in the current fiscal year such as the Miami International Airport North Terminal project and the AirportLink and changes to the Public Health Trust capital plan. The FY 2012-13 Adopted Multi-Year Capital Plan totals \$24.613 billion. The Adopted Capital Budget includes funding for the Building Better Communities Bond Program at a millage rate of 0.285.

The following chart illustrates the combined millage rates since FY 2000-01.

Countywide, Fire Rescue District, Library, and UMSA Operating Millages and Voted Debt Millages

The Adopted Budget is balanced utilizing millage rates that total 9.552. This is 0.1885 mills less than the FY 2011-12 adopted total millage rate of 9.7405. The aggregate millage rate is 1.5 percent lower than the FY 2011-12 adopted millage rate and 3.06 percent higher than the state-defined rollback rate.

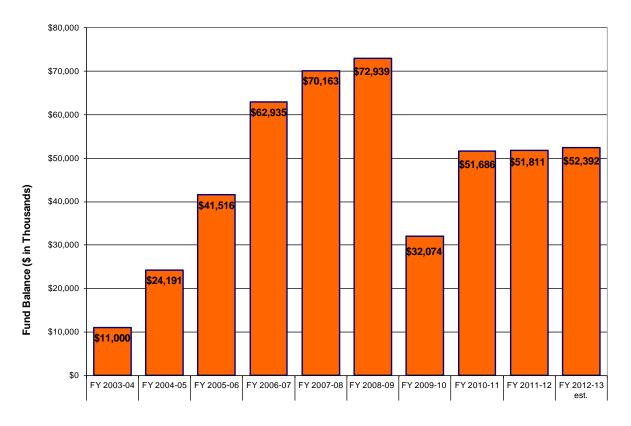

The FY 2012-13 Adopted Budget eliminated 728 positions, with a net change of 595 fewer positions than the FY 2011-12 Adopted Budget. The following table summarizes budget and positions changes by department.

The FY 2011-12 Adopted Budget was balanced based on the FY 2009-10 millage rates and concessions from the employees. The FY 2012-13 utilizes those same savings and the improvements in the property tax roll and revenues to further reduce the millage rates. General Fund reserves remain at 5.76 percent of the general fund operations, well within best practices standards. By the end of FY 2012-13, the Emergency Contingency Reserve is anticipated to have a balance of \$52.392 million, as shown in the chart on the following page.
