

FY 2012 - 13 Adopted Budget and Multi-Year Capital Plan

Cultural Affairs

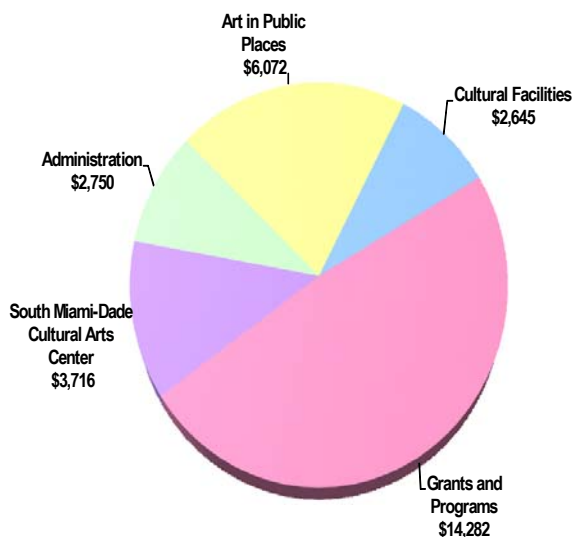

The Department of Cultural Affairs (DoCA) and its advisory board, the Cultural Affairs Council, create and promote opportunities for artists and cultural organizations to grow and improve, and provide information and cultural resources for residents and visitors. The Department also manages Art in Public Places (APP) and supports the Art in Public Places Trust, including commissioning, curating, tracking, maintaining and promoting the County's art collection.

As part of the Recreation and Culture strategic area, the Department focuses on promoting cultural diversity and artistic excellence, developing better cultural facilities throughout Miami-Dade County, and making cultural activities more accessible for residents and visitors. The Department's various competitive grants programs provide direct support for cultural organizations' development and activities, individual artists' professional growth, cultural facilities improvements, and technical assistance that addresses the non-profit cultural sector. The Department creates, publishes, promotes, and disseminates information about the cultural excellence of artistic offerings in order to increase accessibility and attendance, and develops and coordinates arts education and outreach programs.

The Department's stakeholders include artists, cultural organizations, and the residents and visitors who are their audiences and supporters. In order to implement its curriculum-based arts in education programs, the Department has developed partnerships with the Miami-Dade County Public School system, cultural organizations, individual artists, and community and statewide organizations.
