

## FY 2012 - 13 Proposed Budget and Multi-Year Capital Plan

### Metropolitan Planning Organization

The Metropolitan Planning Organization (MPO) for the Miami Urbanized Area was created, as required by federal law, and in accordance with the Florida Statutes, by Interlocal Agreement between Miami-Dade County, the Florida Department of Transportation (FDOT), and the Miami-Dade County Public School Board. MPO is responsible for the transportation planning process in Miami-Dade County. One of its major roles is to ensure conformance with federal and state laws and regulations, which require that highways, mass transit, and other transportation facilities and services be properly deployed and developed in relation to the overall plan of urban development.

As part of the Transportation strategic area, MPO provides staff support to the MPO Governing Board and other transportation advisory committees and prepares the 20-Year Long Range Transportation Plan, the Five-Year Transportation Improvement Program, and a Unified Planning Work Program for transportation studies. MPO develops and administers the public participation program and the Transportation Disadvantaged Service Plan.

MPO works closely with County agencies that participate in the transportation planning process, the Florida Department of Transportation, the Miami-Dade Expressway Authority, the South Florida Regional Transportation Authority, and all municipalities in Miami-Dade County.

\*Target for MPO outreach events is a minimum requirement that, depending on the amount of transportation studies, can vary year to year

### **DIVISION COMMENTS**

- In FY 2012-13, the MPO will continue to provide support for regional transportation efforts (\$125,000), administer the vanpool program (\$1.6 million), contract with a general planning consultant to conduct studies adopted by the MPO Governing Board as well as updates to the Long Range Transportation Plan (\$3.047 million), and fund the Municipal Grant program (\$175,000)

### **ADDITIONAL INFORMATION**

- In FY 2012-13, matching funds for MPO federal and state grants will be provided through Secondary Gas Tax Revenues (\$915,000); the increase in state grants to \$1.840 million in FY 2012-13 from \$718,000 in FY 2011-12 reflects vanpool revenues included in MPOs budget allocation rather than being reflected in Miami-Dade Transit (MDT) state grant allocation
- The FY 2012-13 Proposed Budget includes \$108,000 as an indirect cost reimbursement to the General Fund; additional transfers to other departments include \$100,000 to the Office of Management and Budget for Transportation Improvement Program concurrency and vanpool oversight, \$200,000 to the Regulatory and Economic Resources Department and \$195,000 to the Public Works and Waste Management Department for transportation planning support, \$35,000 to the Information Technology Department for technical support, and \$42,000 to the Finance Department for accounting services
