Information for Second Budget Hearing - FY 2012-13 Proposed Budget

This memorandum accompanies the FY 2012-13 Budget Ordinances for your consideration at the Second Budget Hearing on September 20, 2012. This document provides information requested, details all adjustments necessary to the FY 2012-13 Proposed Budget and actions taken by the Board of County Commissioners (BCC) at the September 6, 2012 First Budget Hearing, as well as making recommendations for other adjustments. The total value of new allocations contained in this document is \$3.264 million.

During the First Budget Hearing on September 6, 2012, the BCC approved the following tentative millage rates: Countywide 4.7035, Unincorporated Municipal Services Area 1.9283, Fire Rescue Service District 2.4496, and Library System 0.1725 mills. At these millage rates, the Proposed Budget is funded and the adjustments included in this memorandum may be supported.

# Revenues

The total value of the new allocations contained in this document is \$3.264 million: additional grant funding from the Early Learning Coalition (\$1.743 million) and additional carryover resulting from improved sales tax projections (\$641,000), additional lobbyist registration revenue (\$10,000) and savings in the Office of the Mayor (\$498,000). Unallocated funding for community-based organizations was also redistributed (\$372,000).

Honorable Chairman Joe A. Martinez and Members, Board of County Commissioners Page 2 of 4

# **Commission on Ethics and Public Trust**

The budget for the Commission on Ethics and Public Health Trust will be increased by \$20,000 (\$10,000 from Lobbyist Trust Fund and \$10,000 from the General Fund). A vacant unfunded position will be eliminated from the table of organization.

# **Community Action and Human Services**

As part of the Memorandum of Information for the First Budget Hearing submitted to the Board of County Commissioners on September 6, 2012, the Board was advised that the funding for the Community Action and Human Services Department from the Early Learning Coalition (ELC) will be reduced \$3.263 million. Subsequently, the ELC informed the Department to expect a revised funding reduction of \$1.52 million, making the total funding allocation \$94.444 million for FY 2012-13. The restored funding (\$1.743 million) will reinstate six of the seven positions eliminated and restore 571 slots, increasing the total to 20,710 subsidized slots.

# Regulatory and Economic Resources (RER)

Ensuring that all the resources available in the budget to support economic development activities are being used in the most effective way possible is a priority for this Administration. Continued analysis allows us to better align resources within the Regulatory and Economic Resources Department. At this time, it is recommended that a position within the Business Affairs Division currently assigned to provide support to the Film and Entertainment function be transferred to the Film and Entertainment section on a permanent basis. In addition, the Proposed Budget includes a vacant position intended to support Enterprise Zone activities. This position will be temporarily assigned to assist with the Wage Theft function until backlogged claims are resolved. Once the backlog has been addressed, the position will support the Enterprise Zone and Living Wage ordinance compliance activities. Furthermore, in May we submitted a plan to the BCC, pursuant to R-874-11, to increase monitoring and compliance amongst vendors relative to our various small business and wage requirements. Part of the plan engages project managers in this effort and a training session is scheduled for September 24, 2012 to roll this effort out countywide.

In the next few weeks, I intend to convene a working group of professionals from inside the County, as well as representatives from the community, to develop a set of recommendations concerning 1) the use of existing economic development resources (including the allocations of funding now used for memberships to the various chambers of commerce), and 2) the leveraging of our relationships with other economic development focused entities including the Beacon Council and the Greater Miami Convention and Visitors Bureau, as well as economic development corporations and chambers not currently supported by County funds. I am confident we can do a better job aligning our efforts and making resources available for game changing initiatives. In order to continue the successful "Where Worlds Meet" campaign, a partnership between the public and private sectors to promote Miami-Dade County as a business destination, an additional \$50,000 of port promotional funds will be allocated to the Greater Miami Visitors and Convention Bureau for FY 2012-13 (\$50,000 Port of Miami).

Support of the agricultural industry in South Miami-Dade County continues to be a priority and we have been advised that the State of Florida will be providing 60 percent funding to support the addition of a Tropical Fruit Extension Agent in Cooperative Extension. Therefore, funding will be included in the RER budget for the 40 percent match (\$32,000).

# Parks, Recreation and Open Spaces (PROS)

Services to our children continue to be prioritized in our budget. This year's funding, received as part of the federal ARRA program to subsidize after school programs in our parks, ran out. The Parks Foundation has agreed to provide \$100,000 to restore these programs, and the PROS budget will be increased by \$300,000 to ensure the same level of service for our community.

Honorable Chairman Joe A. Martinez and Members, Board of County Commissioners Page 3 of 4

Another important activity that had been reduced in the FY 2011-12 budget was landscape and median maintenance. My goal has always been to improve the level of service as the economy improved and additional revenues were available. Revised projections for sales tax collections will make it possible to restore three median cycles and two roadway maintenance cycles for a total of 15 and 9 cycles, respectively (\$620,000).

# **Community-based Organizations (CBOs) and Cultural Programs**

Attachment A reflects the community-based funding allocations monitored by the Department of Cultural Affairs. Funding has been included to restore the Cultural Access Network Grant program (\$100,000). Not-for-Profit organizations will be able to apply for grants to pay rental costs to use cultural facilities managed by the Department of Cultural Affairs. The program will be managed by the Department of Cultural Affairs.

Attachment B reflects the amended community-based organization allocations monitored by the Office of Management and Budget.

# **Juvenile Services**

The Youth Commission was created in December 10, 2010 as Section 2-2060 of the Code. The Commission is comprised of 26 members and five ex-officio appointments with a goal of providing young people with a vehicle to participate in the process of County Government. The Youth Commission has developed a budget for travel, event, and outreach expenses. The budget for the Juvenile Services Department will be increased by \$60,000 to support the Youth Commission activities.

At the September 6, 2012 meeting of the BCC, \$90,000 of Law Enforcement Trust Fund (LEFT) was allocated to support gang prevention initiatives in the Juvenile Services department, such as the Violence Intervention Program. As additional resources are required, further application of LETF will be considered.

### Office of Community Advocacy

Consistent with the fiscal impact statement that accompanied Ordinance 12-37 establishing the Military Affairs Board, the budget for the Office of Community Advocacy will be increased by \$75,000 in order to add a position to support the Military Affairs Board and our efforts relative to programs and projects for veterans.

## **CAPITAL BUDGET**

# **Animal Services**

Due to an increased demand for sheltering of abandoned animals and to reflect recommendations given by animal shelter professionals as it pertains to the design and development of a facility that will meet current expansion needs, the cost of the New Animal Shelter will increase by \$6.61 million to \$20.6 million and completion of the project is expected in the later part of FY 2014-15. The additional capital cost includes, but is not limited to, site work for a dog walk/exercise area, perimeter sidewalk, fencing, as well as landscape and irrigation, plumbing and HVAC improvements, roof replacement, and doors and impact windows. The increased costs will require a future borrowing and general fund subsidies to repay the debt over time.

# Parks, Recreation and Open Spaces

The Goulds Park - Building Better Communities Bond Program (Project 931100) will be completed in FY 2013-14. Future year funding (\$356,000) will be advanced to FY 2012-13 and the total budget is being increased by \$215,000 to a total of \$1.812 million. This project has been delayed for 18 months due to contractor issues and the subsequent bankruptcy of the bonding company. The additional funding is necessary to rework a portion of the project that was performed by the original contractor and to repair

Honorable Chairman Joe A. Martinez and Members, Board of County Commissioners Page 4 of 4

and replace deterioration of equipment and the facility. Appropriation authority is available from revised projections for FY 2012-13 expenditures in other Building Better Communities General Obligation Bond projects. The additional expense will be funded with \$215,000 from various Quality Neighborhood Improvement Program projects in District 9 that were completed under budget.

Funding has been identified to design and construct a walking path at the Norman and Jean Reach Park that will connect park premises to the adjacent school. Savings in certain PROS projects funded in the Capital Outlay Reserve in FY 2011-12 will increase available uncommitted carryover by \$100,000. This funding will be matched by a contribution from the District 13 Office budget (\$70,000) and available District 13 QNIP funds (\$10,000). Matching funds are also being pursued from the Miami-Dade County School Board.

# **Public Works and Waste Management**

Due to safety and deteriorating road conditions, the Resurface Miami Avenue from N 87 Street to N 105 Street (Project 608500) will be accelerated to FY 2012-13 from FY 2015-16. The projection for available Road Impact fee revenues has improved since the release of the Proposed Budget and can be used to accelerate this project.

# **POSITION ADJUSTMENTS**

In some instances, the above recommendations and correction of errors will adjust the number of positions in the FY 2012-13 Proposed Budget. The Tables of Organization reflecting these adjustments are included in Attachment C. The adjustments included in this memorandum increase the total number of recommended positions by six to 25,902. This is 596 positions less than authorized in FY 2011-12, more than 490 of which are vacant.
