Miami-Dade County organizes its strat egic plan into seven strategic areas: Pu blic Safety (P S), Transportation (TP), Recreation and Culture (RC), Neighborhood and Infrastructure (NI), Health and Human Services (HH), Economic Development (ED), and General Government (GG). Each strategic area consists of a number of goals, each of which consists of a number of objectives. In all, the strategic plan includes nearly 100 objectives. For ease of reference, each objective can be referred to by its reference number (e.g. PS2-1, TP3-2, and ED5-1).

These objectives play an important role in our Results-Oriented Governing approach by providing the linkage between department objectives and the goals of the strategic plan. Department narratives contain performance tables that begin with both the reference number and full text of the strategic plan objective the department is seeking to support. This p rovides strategic context to the efforts of the department and ensures that County activities support achievement of strategic plan goals.
