Miami-Dade Economic Advocacy Trust

The Miami-Dade Economic Advocacy Trust (MDEAT) addresses and advocates for the economic welfare and social needs of, primarily, Miami-Dade County's Black community and Targeted Urban Areas as identified by Miami-Dade County.

As part of the Economic Development and Health and Human Services strategic areas, MDEAT encourages and facilitates the coordination of programs providing assistance to the Black community and strives for the elimination of disparities within the community at large. These programs include affordable housing opportunities for low-to moderate-income families, a teen court diversion program for youths, and various economic development initiatives to better the Black community of Miami-Dade County.

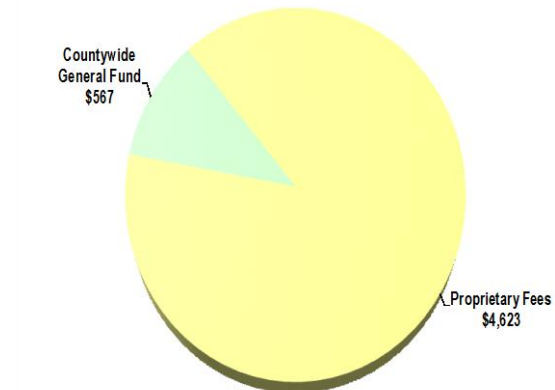

MDEAT is governed by a 15 member Board of Trustees who are selected by the Miami-Dade Economic Advocacy Nominating Council and appointed by the Board of County Commissioners, and the Executive Director nomination is submitted by the Board of Trustees to the County Mayor who recommends to the Board of County Commissioners for approval.

Regulatory and Economic Resources

The Regulatory and Economic Resources (RER) Department enforces codes and regulations established by the federal government, the State of Florida and Miami-Dade County governing the construction, alteration, and maintenance of buildings and structures within the unincorporated areas of Miami-Dade County; administers the zoning regulations for unincorporated Miami-Dade County and those municipalities that have entered into service agreements with the County; regulates activities that have a potential impact on environmental resources through the County; and enhances economic development within the County through land use planning, green initiatives, and a wide range of programs for business, job seekers, and consumers. RER offers the public, in most instances, a "one-stop shop" for a variety of permit requirements and economic related activities.

RER crosses two strategic areas, performing activities that are related to Neighborhood and Infrastructure as well as Economic Development. As part of the Neighborhood and Infrastructure Strategic Area, RER provides services related to contractor licensing, construction products evaluation, training, and education and certification of building code enforcement personnel countywide; reviews applications and issues building permits for the construction of new buildings and structures and for the alteration of existing ones; performs inspections as construction progresses to verify compliance with the applicable construction codes and regulations; investigates complaints, enforces the correction of building code violations related to new and existing buildings, enforces local regulations related to unsafe buildings and structures, and provides code compliance services; provides administrative and technical support to boards and panels. In addition, the Department oversees protection of our air, water, and soil resources, including protection of the Biscayne Aquifer our sole source of drinking water, responds to complaints regarding pollution, oversees clean-up of contaminated soil, protects, restores, and enhances natural areas and monitors environmental resources; manages capital programs, including beach renourishment, as well as acquisition and protection of environmentally endangered lands; prepares zoning recommendations, coordinates all concurrency management activities, reviews development plans for compliance with zoning regulations, issues certificates of use, administers impact fee programs, and provides technical support at zoning meetings of the Board of County Commissioners (BCC) and Community Zoning Appeals Board meetings.

As part of its Economic Development Strategic Area, RER oversees the sustainable transformation of the County through green initiatives; administration and enforcement of growth management through the Comprehensive Development Master Plan (CDMP) and Historic Preservation ordinance; small business development through the administration of several programs; promotion of film and television related industries; economic growth through administration of local economic development programs including the Qualified Target Industry (QTI) and the Targeted Jobs Incentive Fund (TJIF) programs; and enforcement of consumer laws and licensing requirements that protect purchasers of goods and services. Other functions include international trade coordination, cooperative extension, passenger transportation regulation, and coordination with the county's agricultural industry. RER's functions are closely related to and require coordination with other County departments, including Fire Rescue, Public Works and Waste Management (PWWM), and Water and Sewer (WASD). The Department works cooperatively with local, state, and federal agencies as well as other community entities.
