Identify opportunities to

improve County

operations

• The Department will continue to promote training opportunities in Lean Six Sigma (LSS) performance improvement techniques; trainings offer increasing levels of certification: Yellow Belt certification provides participants an introduction to LSS problem-solving tools; Green Belt certification gives participants additional exposure to LSS problem-solving tools, and hands-on participation in a real case study; participants in Green Belt Team Leader and Black Belt training will learn more sophisticated and complex LSS problem-solving methodologies; by the end of FY 2013-14, more than 800 employees will have earned LSS Yellow Belt certification and 120 employees will have earned LSS Green Belt certification; of these, 12 will have earned Green Belt Team Leader certification and 6 will have earned Black Belt certification

^{**} Decrease in active users is likely due to fewer overall employees, priority and impact of reorganizations, and possible reliance on power users to enter

^{***} The increase in the number of projects completed in FY 2012-13 and targeted for FY 2013-14 is due to the County's Lean Six Sigma (LSS) performance improvement training initiative
